Notification Requirements Regarding Findings of Sexual Harassment, Other Forms of Harassment, or Sexual Assault

AGENCY: National Science Foundation.
ACTION: Final Notice of a new NSF term and condition regarding sexual harassment, other forms of harassment, and sexual assault.

SUMMARY: NSF is publishing, in final form, a new term and condition regarding sexual harassment, other forms of harassment, and sexual assault. NSF’s intention to develop and implement this new term and condition was specified in Important Notice No. 144, dated February 8, 2018.

The National Science Foundation (NSF) will not tolerate sexual harassment, other forms of harassment, or sexual assault within the agency, at awardee organizations, field sites, or anywhere NSF-funded science and education is conducted. The 3,000 U.S. institutions of higher education and other organizations that receive NSF funds are responsible for fully investigating complaints and for compliance with federal non-discrimination laws, regulations, and executive orders. NSF has taken steps to help ensure research environments are free from sexual harassment. Additionally, NSF is bolstering our policies, guidelines, and communications so that organizations funded by NSF clearly understand expectations and requirements.
