### Forest Service

*Title:* Grazing Permit Administration Forms.

*OMB Control Number:* 0596-0003.

*Summary of Collection:* Annually, livestock grazing occurs on approximately 94 million acres of National Forest Service (NFS) lands. This grazing is subject to authorization and administrative oversight by the Forest Service (FS). Information must be collected on an individual basis and is collected through the permit issuance and administration process. FS will collect information using several forms.

*Need and Use of the Information:* FS will use the information collected on the forms to acquire data from applicants applying for new grazing permits or making changes to their current grazing permit(s). FS also uses the information collected in administering the grazing use program on NFS land. If information were not collected it would be impossible for the agency to administer a grazing use program in accordance with the statutes and regulations.
