OSHA's recognition of any NRTL for a particular test standard is limited to equipment or materials for which OSHA standards require third-party testing and certification before use in the workplace. Consequently, if a test standard also covers any products for which OSHA does not require such testing and certification, a NRTL's scope of recognition does not include these products.

The American National Standards Institute (ANSI) may approve the test standards listed above as American National Standards. However, for convenience, the use of the designation of the standards-developing organization for the standard as opposed to the ANSI designation may occur. Under the NRTL Program's policy (see OSHA Instruction CPL 1–0.3, Appendix C, paragraph XIV), any NRTL recognized for a particular test standard may use either the proprietary version of the test standard or the ANSI version of that standard. Contact ANSI to determine whether a test standard is currently ANSI-approved.

A. Conditions

In addition to those conditions already required by 29 CFR 1910.7, UL must abide by the following conditions of the recognition:

1. UL must inform OSHA as soon as possible, in writing, of any change of ownership, facilities, or key personnel, and of any major change in its operations as a NRTL, and provide details of the change(s);

2. UL must meet all the terms of its recognition and comply with all OSHA policies pertaining to this recognition; and

3. UL must continue to meet the requirements for recognition, including all previously published conditions on UL's scope of recognition, in all areas for which it has recognition.

Pursuant to the authority in 29 CFR 1910.7, OSHA hereby expands the scope of recognition of UL, subject to the limitation and conditions specified above.

SUPPLEMENTARY INFORMATION:

OMB Number: 3133–0117.

Type of Review: Revision of a currently approved collection.

Title: Designation of Low Income Status, 12 CFR 701.34(a).

Abstract: The Federal Credit Union Act (12 U.S.C. 1752(5)) authorizes the NCUA Board to define low-income members so that credit unions with a membership serving predominantly

low-income members can benefit from certain statutory relief and receive assistance from the Community Development Revolving Loan Fund. To utilize this authority a credit union must receive a low-income designation from NCUA as defined in NCUA's regulations at 12 CFR 701.34. NCUA uses the information from credit unions to determine whether they meet the criteria for the low-income designation.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 303.

OMB Number: 3133–0121.

Type of Review: Revision of a currently approved collection.

Title: Notice of Change of Officials and Senior Executive Officers.

Forms: NCUA Forms 4063 and 4063a.

Abstract: In order to comply with statutory requirements, the agency must obtain sufficient information from new officials or senior executive officers of troubled or newly chartered credit unions to determine their fitness for the position. This is established by the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA) (Pub. L. 101–73). The forms provide a standardize format to collect the information needed.

Affected Public: Private Sector: Not-for-profit institutions; Individual or Household.

Estimated Total Annual Burden Hours: 884.

OMB Number: 3133–0154.

Type of Review: Extension of a currently approved collection.

Title: Prompt Corrective Action, 12 CFR 702 (Subparts A–D).

Abstract: Section 216 of the Federal Credit Union Act (12 U.S.C. 1790d) mandates prompt corrective action (PCA) requirements for federally insured credit unions (FICUs) that become less than well capitalized. Section 216 requires the NCUA Board to (1) adopt, by regulation, a system of prompt corrective action to restore the net worth of inadequately capitalized FICUs; and (2) develop an alternative system of prompt corrective action for new credit unions that carries out the purpose of PCA while allowing an FICU reasonable time to build its net worth to an adequately capitalized level. The purpose of PCA is to resolve the problems of FICUs at the least possible long-term loss to the National Credit Union Share Insurance Fund (NCUSIF).

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 3,420.

OMB Number: 3133–0169.

Title: Purchase of Assets and Assumption of Liabilities.

Type of Review: Extension of a currently approved collection.

Abstract: In accordance with § 741.8, federally insured credit unions (FICUs) must request approval from the NCUA prior to purchasing assets or assuming liabilities of a privately insured credit union, other financial institution, or their successor interest. A FICU seeking approval must submit a letter to the appropriate NCUA Regional Director stating the nature of the transaction, and include copies of relevant transaction documents. Relevant transaction documents may include, but are not limited to: the credit union's financial statements, strategic plan, and budget, inventory of the assets and liabilities to be transferred, and any relevant contracts or agreements regarding the transfer. NCUA will use the information to determine the safety and soundness of the transaction and risk to the National Credit Union Share Insurance Fund (NCUSIF).

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 840.

OMB Number: 3133–0192.

Type of Review: Extension of a currently approved collection.

Title: Involuntary Liquidation Proof of Claim Form.

Form: NCUA Form 7250.

Abstract: In accordance with 12 CFR part 709, the NCUA is appointed liquidating agent of a credit union when the credit union is placed into involuntary liquidation. Section 709.6 instructs creditors to present a written claim to the liquidating agent by the date specified in the notice to creditors. Those creditors making a claim must document their claim in writing and submit a form to the liquidating agent. In addition, the liquidating agent may require a claimant to submit supplemental evidence to support its claim. This collection of information is necessary to protect the National Credit Union Share Insurance Fund in determining valid claims.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 220.

By Gerard Poliquin, Secretary of the Board, the National Credit Union Administration, on September 25, 2018.
