Certain Frozen Warmwater Shrimp From India: Notice of Final Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On August 2, 2018, the Department of Commerce (Commerce) initiated, and published the preliminary results of, the changed circumstances review of the antidumping duty order on certain frozen warmwater shrimp (shrimp) from India. For these final results, Commerce continues to find that Coastal Aqua Private Limited (CAPL) is the successor-in-interest to Coastal Aqua.

DATES: Applicable October 3, 2018.

FOR FURTHER INFORMATION CONTACT: Brittany Bauer, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3860.

SUPPLEMENTARY INFORMATION:**Background**

On June 13, 2018, CAPL requested that Commerce conduct an expedited changed circumstances review, pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), 19 CFR 351.216(b), and 19 CFR 351.221(c)(3), to confirm that CAPL is the successor-in-interest to Coastal Aqua for purposes of determining antidumping duty cash deposits and liabilities. In its submission, CAPL explained that Coastal Aqua undertook a business reorganization and transferred its shrimp business to CAPL.¹

¹ See CAPL's Letter re: Certain Frozen Warmwater Shrimp from India: Request to Initiate a Successor-in-Interest Changed Circumstances Review for

On August 2, 2018, Commerce initiated this changed circumstances review and published the notice of preliminary results, determining that CAPL is the successor-in-interest to Coastal Aqua.² In the *Initiation and Preliminary Results*, we provided all interested parties with an opportunity to comment and request a public hearing regarding our preliminary finding that CAPL is the successor-in-interest to Coastal Aqua.³ We received no comments or requests for a public hearing from interested parties within the time period set forth in the *Initiation and Preliminary Results*.⁴

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp.⁵ The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.

Final Results of Changed Circumstances Review

For the reasons stated in the *Initiation and Preliminary Results*, and because we received no comments from interested parties to the contrary, Commerce continues to find that CAPL is the successor-in-interest to Coastal Aqua. As a result of this determination and consistent with established practice, we find that CAPL should receive the cash deposit rate previously assigned to Coastal Aqua in the most recently-completed review of the antidumping duty order on shrimp from India.⁶ Consequently, Commerce will instruct U.S. Customs and Border

Coastal Aqua Private Limited, dated June 13, 2018 (CAPL CCR Request).

Protection to suspend liquidation of all shipments of subject merchandise produced or exported by CAPL and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register** at 1.35 percent, which is the current antidumping duty cash-deposit rate for Coastal Aqua.⁷ This cash deposit requirement shall remain in effect until further notice.

We are issuing this determination and publishing these final results and notice in accordance with sections 751(b)(1) and 777(i)(1) and (2) of the Act, as amended, and 19 CFR 351.216 and 351.221(c)(3).

Stainless Steel Bar From Brazil, India, Japan, and Spain: Continuation of Antidumping Duty Order (India) and Revocation of Antidumping Duty Orders (Brazil, Japan, and Spain)

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC) that revocation of the antidumping duty order on stainless steel bar (SSB) from India would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, Commerce is publishing a notice of continuation of the antidumping duty order. In addition, as a result of the ITC's determinations that revocation of the antidumping duty orders on SSB from Brazil, Japan, and Spain is not likely to lead to continuation or recurrence of material injury to an industry in the United States, Commerce is revoking the antidumping duty orders on SSB from Brazil, Japan, and Spain.

⁷ Coastal Aqua was assigned a 1.35 percent dumping margin in the 2016–2017 administrative review of the AD order on shrimp from India. See 12th AR.

DATES: Antidumping Revocation (Brazil, Japan, and Spain): Effective August 9, 2017; Antidumping Continuation (India): Applicable October 3, 2018.

FOR FURTHER INFORMATION CONTACT: Ian Hamilton, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4798.

SUPPLEMENTARY INFORMATION:

Background

On February 21, 1995, Commerce published the antidumping duty orders on SSB from Brazil, India, and Japan.¹ On March 2, 1995, Commerce published the antidumping duty order on SSB from Spain.² On July 3, 2017, Commerce published the notice of initiation of the fourth five-year (sunset) reviews of the antidumping duty orders on SSB from Brazil, India, Japan, and Spain, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).³

Commerce conducted these sunset reviews on an expedited basis, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), because it received complete, timely, and adequate responses from a domestic interested party but no substantive responses from respondent interested parties. As a result of its reviews, Commerce determined that revocation of the antidumping duty orders would likely lead to a continuation or recurrence of dumping.⁴ Commerce, therefore, notified the ITC of the magnitude of the margins likely to prevail should the antidumping duty orders be revoked.

On September 21, 2018, the ITC published its determinations, pursuant to section 751(c) and 752(a) of the Act, that revocation of the antidumping duty order on SSB from India would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time, but that revocation of the antidumping duty orders on SSB from Brazil, Japan, and Spain would not be likely to lead to continuation or

recurrence of material injury within a reasonably foreseeable time.⁵

Scope of the Orders

The merchandise subject to the orders is SSB. For a complete description of the scope of these orders, see Appendices I and II of this notice.

Continuation of the Order on SSB From India

As a result of the determinations by Commerce and the ITC that revocation of the antidumping duty order on SSB from India would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act and 19 CFR 351.218(a), Commerce hereby orders the continuation of the antidumping duty order on SSB from India. U.S. Customs and Border Protection (CBP) will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, Commerce intends to initiate the next sunset review of the order not later than 30 days prior to the fifth anniversary of the effective date of continuation.

Revocation of the Antidumping Duty Orders on SSB From Brazil, Japan, and Spain

As a result of the determinations by the ITC that revocation of the antidumping duty orders on SSB from Brazil, Japan, and Spain would not be likely to lead to the continuation or recurrence of material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, Commerce is revoking the antidumping duty orders on SSB from Brazil, Japan, and Spain. Pursuant to section 751(d)(2) of the Act and 19 CFR 351.222(i)(2)(i), the effective date of revocation is August 9, 2017 (*i.e.*, the fifth anniversary of the date of publication in the **Federal Register** of the notice of continuation of the antidumping duty Continuation of Orders).⁶
