A summary of the events that occurred since Commerce published the *Preliminary Results*, as well as a full discussion of the issues raised by parties for this final determination, are found in the Issues and Decision Memorandum, dated concurrently with, and hereby adopted by, this notice.⁴ The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and it is available to all parties in the Central Records Unit, Room B8024 of the main Commerce building. Final Rescission of New Shipper Review

As explained in the Issues and Decision Memorandum, we continue to find that Doo Won is not the producer of the garlic subject to this review. Accordingly, its new shipper review request was invalid under 19 CFR 351.214(b)(2)(ii). As a result, we are rescinding the new shipper review of Doo Won.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs are addressed in the Issues and Decision Memorandum. A list of the issues that are raised in the briefs and addressed in the Issues and Decision Memorandum is in the Appendix to this notice.

Cash Deposit Requirements

Effective upon publication of the final rescission of the NSR of Doo Won, Commerce will instruct U.S. Customs and Border Protection (CBP) to collect cash deposits for exports of subject merchandise by Doo Won entered, or withdrawn from warehouse, for consumption on or after the publication date, at the China-wide rate.⁶

Assessment Instructions

As the result of this rescission of the NSR of Doo Won, the entries of Doo Won covered by this NSR will be assessed at the cash deposit rate required at the time of entry, which is the China-wide rate.

Notification to Importers

This notice serves as final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary of Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Return or Destruction of Proprietary Information

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of business proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3). We request timely written notification of return or destruction of APO materials or conversion to judicial protective order. Failure to comply with

the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published this notice in accordance with sections 751(i) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

Methodology

Commerce is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Because mandatory respondent Ming Wei Co., Ltd. (Ming Wei) withdrew from participation in the administrative review and failed to respond to Commerce's questionnaire, we preliminarily determine to apply adverse facts available (AFA) to this respondent, in accordance with sections 776(a) and (b) of the Act and 19 CFR 351.308. For a full discussion of the rationale underlying our preliminary results, see the Preliminary Decision Memorandum.

A list of the topics included in the Preliminary Decision Memorandum is attached as an Appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and

Preliminary Determination of No Shipments

On November 20, 2017, and November 30, 2017, Fujian Rongshu, Rong Shu, and Xiamen Yi-He, and Banduoo, respectively, timely filed statements reporting that they made no shipments of subject merchandise to the United States during the POR. Subsequently, we received information from U.S. Customs and Border Protection (CBP) confirming the no shipment claims from Banduoo, Fujian Rongshu, and Xiamen Yi-He.

With respect to Rong Shu, we determined that it was necessary to request additional information from CBP and Rong Shu related to various POR entries of merchandise produced by Rong Shu. After reviewing the additional information provided by Rong Shu,² we preliminarily determine that Rong Shu had no shipments during the POR.

Based on the foregoing, Commerce preliminarily determines that Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He had no shipments during the POR. For additional information regarding this determination, see the Preliminary Decision Memorandum. Consistent with our practice, we are not preliminarily rescinding the review with respect to Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He but, rather, we will complete the review with respect to these companies and issue appropriate instructions to CBP based on the final results of this review.³

In these submissions, Rong Shu provided documentation to demonstrate that it only exported non-subject ribbon to the United States during the POR.

Assessment Rates

Upon issuance of the final results, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁰ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review. Where assessments are based upon total facts available, including AFA, we instruct CBP to assess duties at the AFA margin rate. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹¹

Further, if we continue to find in the final results that Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He had no shipments of subject merchandise during the POR, we will instruct CBP to liquidate any suspended entries that entered under their antidumping duty case numbers (*i.e.*, at that exporter's rate) at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Ming Wei will be that established in the final results of this review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 4.37 percent, the all-others rate determined in the less-than-fair-value investigation.¹² These cash

deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 2, 2018.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Background

In accordance with section 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(c), on August 16, 2018, Commerce published its affirmative *Final Determination* in the less than fair value (LTFV) investigation of stainless steel flanges from India.¹ On September 28, 2018, the ITC notified Commerce of its final determination pursuant to section 735(d) of the Act, that an industry in the United States is materially injured by reason of LTFV imports of stainless steel flanges from India, within the meaning of section 735(b)(1)(A) of the Act.²

Scope of the Order

The products covered by this order are stainless steel flanges from India. For a complete description of the scope of the order, *see* the Appendix to this notice.

Antidumping Duty Order

In accordance with sections 735(b)(1)(A) and 735(d) of the Act, the ITC has notified Commerce of its final determination in this investigation, in which it found that imports of stainless steel flanges from India are materially injuring a U.S. industry.³ Therefore, in accordance with sections 735(c)(2) and 736(a) of the Act, we are publishing this antidumping duty order.

As a result of the ITC's final determination, in accordance with section 736(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise, for all relevant entries of stainless steel flanges from India.
