Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Ming Wei will be that established in the final results of this review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 4.37 percent, the all-others rate determined in the less-than-fair-value investigation.12 These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.222 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 2, 2018.

Gary Taverner, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Stainless Steel Flanges From India: Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC), Commerce is issuing an antidumping duty order on stainless steel flanges from India.

DATES: Applicable October 9, 2018.

FOR FURTHER INFORMATION CONTACT:

SUPPLEMENTARY INFORMATION:

Background

In accordance with section 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(c), on August 16, 2018, Commerce published its affirmative Final Determination in the less than fair value (LTFV) investigation of stainless steel flanges from India.1 On September 28, 2018, the ITC notified Commerce of its final determination pursuant to section 735(d) of the Act, that an industry in the United States is materially injured by reason of LTFV imports of stainless steel flanges from India, within the meaning of section 735(b)(1)(A) of the Act.2

Scope of the Order

The products covered by this order are stainless steel flanges from India. For a complete description of the scope of the order, see the Appendix to this notice.

Antidumping Duty Order

In accordance with sections 735(b)(1)(A) and 735(d) of the Act, the ITC has notified Commerce of its final determination in this investigation, in which it found that imports of stainless steel flanges from India are materially injuring a U.S. industry.3 Therefore, in accordance with sections 735(c)(2) and 736(a) of the Act, we are publishing this antidumping duty order.

As a result of the ITC’s final determination, in accordance with section 735(b)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise, for all relevant entries of stainless steel flanges from India. These antidumping duties

2 See ITC Notification regarding stainless steel flanges from India, dated September 28, 2018 (ITC Notification); see also Stainless Steel Flanges from China, Inv. No. 731–TA–1384 (Final), USITC Pub. 4828 (September 2018).
3 See ITC Notification.
will be assessed on unliquidated entries of stainless steel flanges from India entered, or withdrawn from warehouse, for consumption on or after March 28, 2018, the date of publication of the Preliminary Determination, but will not include entries occurring after the expiration of the provisional measures period and before publication of the ITC’s final injury determination, as further described below.

Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) of the Act, we will instruct CBP to continue to suspend liquidation on entries of subject merchandise from India. We will also instruct CBP to require cash deposits equal to the estimated amount by which the normal value exceeds the U.S. price as indicated in the chart below. These instructions suspending liquidation will remain in effect until further notice. Accordingly, effective on the date of publication of the ITC’s final affirmative injury determination, CBP will require, at the same time as importers would normally deposit estimated duties on this subject merchandise, a cash deposit equal to the estimated antidumping duty margin. The “All Others” rate applies to all exporters of subject merchandise not specifically listed in the table below.

Provisional Measures

Section 733(d) of the Act states that instructions to suspend liquidation issued pursuant to an affirmative preliminary determination may not remain in effect for more than four months, except where exporters representing a significant proportion of exports of subject merchandise request to extend the four-month period to six months. The four-month period beginning on March 28, 2018, the date of publication of the Preliminary Determination, ended on August 10, 2018. Furthermore, section 737(b) of the Act states that definitive duties are to begin on the date of publication of the ITC’s final injury determination.

Therefore, in accordance with section 733(d) of the Act and our practice, we will instruct CBP to terminate the suspension of liquidation and to liquidate, without regard to antidumping duties, unliquidated entries of stainless steel flanges from India entered, or withdrawn from warehouse, for consumption on or after August 10, 2018, the day after which the provisional measures expired, until and through the day preceding the date of publication of the ITC’s final injury determination in the Federal Register. Suspension of liquidation will remain on the date of publication of the ITC’s final determination in the Federal Register.

Estimated Dumping Margins

Commerce determines that the estimated final weighted-average dumping margins are as follows:

<table>
<thead>
<tr>
<th>Exporter or producer</th>
<th>Estimated dumping margin (percent)</th>
<th>Cash deposit rate (adjusted for offset(s)) (percent)</th>
</tr>
</thead>

Notification to Interested Parties

This notice constitutes the antidumping duty order with respect to stainless steel flanges from India, pursuant to section 736(a) of the Act. Interested parties can find a list of antidumping duty orders currently in effect at http://enforcement.trade.gov/stats/iastats1.html.

This order is issued and published in accordance with section 736(a) of the Act and 19 CFR 351.211(b).

Dated: October 2, 2018.

Gary Taasman,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Appendix

Scope of the Order

The products covered by this investigation are certain forged stainless-steel flanges, whether unfinished, semi-finished, or finished (certain forged stainless-steel flanges). Certain forged stainless steel flanges are generally manufactured to, but not limited to, the material specification of ASTM/ASME A/SA182 or comparable domestic or foreign specifications. Certain forged stainless steel flanges are made in various grades such as, but not limited to, 304, 304L, 316, and 316L (or combinations thereof). The term “stainless steel” used in this scope refers to an alloy steel containing, by actual weight, 1.2 percent or less of carbon and 10.5 percent or more of chromium, with or without other elements.

Unfinished stainless-steel flanges possess the approximate shape of finished stainless steel flanges and have not yet been machined to final specification after the initial forging or like operations. These machining processes may include, but are not limited to, boring, facing, spot facing, drilling, tapping, threading, beveling, heating, or compressing. Semi-finished stainless steel flanges are unfinished stainless-steel flanges that have undergone some machining processes. The scope includes six general types of flanges. They are: (1) Weld neck, generally used in butt-weld line connection; (2) threaded, generally used for threaded line connections; (3) slip-on, generally used to slide over pipe; (4) lap joint, generally used with stub-ends/butt-weld line connections; (5) socket weld, generally used to fit pipe into a machine recession; and (6) blind, generally used to seal off a line. The sizes and descriptions of the flanges within the scope include all pressure classes of ASME B16.5 and range from one-half inch to twenty-four inches nominal pipe size.

Specifically excluded from the scope of this investigation are cast stainless steel flanges. Cast stainless steel flanges generally are manufactured to specification ASTM A156.

The country of origin for certain forged stainless-steel flanges, whether unfinished, semi-finished, or finished is the country where the flange was forged. Subject merchandise includes stainless steel flanges as defined above that have been further processed in a third country. The processing includes, but is not limited to, boring, facing, spot facing, drilling, tapping, threading, beveling, heating, or compressing, and/or any other processing that would not otherwise remove the merchandise from the scope of

4 See Stainless Steel Flanges from India: Preliminary Affirmative Determination of Sales at Less Than Fair Value, Preliminary Affirmative

5 See section 736(a)(3) of the Act.
the investigation if performed in the country of manufacture of the stainless-steel flanges. Merchandise subject to this investigation is typically imported under headings 7307.21.1000 and 7307.21.5000 of the Harmonized Tariff Schedule of the United States (HTSUS). While HTSUS subheadings and ASTM specifications are provided for convenience and customs purposes, the written description of the scope is dispositive.

Gulf of Mexico Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a public meeting.

SUMMARY: The Gulf of Mexico Fishery Management Council (Council) will hold a four-day meeting to consider actions affecting the Gulf of Mexico fisheries in the exclusive economic zone (EEZ).

DATES: The meeting will be held on Monday, October 22 through Thursday, October 25, 2018.

ADDRESSES: The meeting will take place at the Battle House Renaissance Mobile Hotel & Spa, located at 26 North Royal Street, Mobile, AL 36602–3802; telephone: (813) 348–1630.

Council address: Gulf of Mexico Fishery Management Council, 4107 W. Spruce Street, Suite 200, Tampa, FL 33607; telephone: (251) 338–2000.

Council address: Gulf of Mexico Fishery Management Council, 4107 W. Spruce Street, Suite 200, Tampa, FL 33607; telephone: (813) 348–1630.

FOR FURTHER INFORMATION CONTACT: Dr. Carrie Simmons, Executive Director, Gulf of Mexico Fishery Management Council; telephone: (813) 348–1630.

SUPPLEMENTARY INFORMATION:

Agenda

Monday, October 22, 2018; 8 a.m.–5:30 p.m.

The meeting will begin in a Full Council session to assign council members to the October 2018 through October 2019 Committees. The Committee Sessions will begin approximately 8:30 a.m. with the Coral Committee reviewing analysis for the Vessel Monitoring System (VMS) and Electronic Logbooks (ELB) Information for the Flower Garden Banks National Marine Sanctuary Expansion. The Mackerel Committee will receive an update on Coastal Migratory Pelagics (CMP) Landings; and discuss taking final action on CMP Framework Amendment 7—Modifications to Gulf Cobia Size and Possession Limits. The Administrative/Budget Committee will convene to review and approve the funded budget, and proposed modifications to the Statement of Organization Practices and Procedures (SOPPs). After lunch, the Gulf SEDAR Committee will receive a summary from the SEDAR Steering Committee Meeting; and review the Gulf of Mexico SEDAR Schedule. The Sustainable Fisheries Committee will review the revised draft of the Conversion of Historical Captain Endorsements to Federal For-Hire Permits; Revised Generic Amendment for Carryover of Unharvested Quote; and the Gulf of Mexico Allocation Review Triggers.

Tuesday, October 23, 2018; 8:30 a.m.–5 p.m.

The Reef Fish Management Committee will review Reef Fish Landings and the revised draft for Amendment 50: State Management Program for Recreational Red Snapper and Individual State Amendments. After lunch, the committee with discuss Reef Fish Management Objectives; review draft amendment for Establishing Gray Snapper Status Determination Criteria, Reference Points, and Modifications to Annual Catch Limits; receive a presentation on the Great Red Snapper Count; receive a summary from the Scientific and Statistical Committee (SSC) meeting; and discuss the Status of Convening the Ad Hoc Reef Fish Headboat and Red Snapper Charter For-hire Advisory Panels.

Wednesday, October 24, 2018; 8:30 a.m.–5:30 p.m.

The Data Committee will review revisions to the Marine Recreational Information Program’s (MRIP) Recreational Data Collection Program; receive a presentation summary report from the For-Hire Electronic Reporting Workshop hosted by the Quality Management Professional Specialty Group, and an update from the MRIP Red Snapper Survey Design Workshop. The Ecosystem Committee will review a draft outline of the Fishery Ecosystem document. The Shrimp Committee will review draft options for Shrimp Amendment 18: Evaluation of Shrimp Effort Threshold Reduction in the Area Monitored for Juvenile Red Snapper Bycatch; and, the Law Enforcement Committee will give a summary from the Joint Law Enforcement Technical Committee and Law Enforcement Committee meeting; and approve the 2019–20 Operations Plan. Late morning (approximately 11:15 a.m.), the Full Council will reconvene with a Call to Order, Announcements, and Introductions; Adoption of Agenda and Approval of Minutes; and presenting the Recipient of the 2017 Law Enforcement Officer of the Year Award. The Council will review Exempted Fishing Permit (EFP) applications, if any; receive a presentation on Alabama Law Enforcement efforts; and a summary on Highly Migratory Species (HMS) Advisory Panel efforts. After lunch, the Council will receive public testimony from 1:30 p.m. until 4:30 p.m. on the following items: Final Action: CMP Framework Amendment 7: Modifications to Gulf Cobia Size and Possession Limits; and, open testimony on any other fishery issues or concerns. Anyone wishing to speak during public comment should sign in at the registration station located at the entrance to the meeting room. Following public testimony, the Council will begin receiving committee reports from the Coral, Administrative/Budget, and Gulf SEDAR Management Committees.

Thursday, October 25, 2018; 8:30 a.m.–3 p.m.

The Council will continue to receive committee reports from Mackerel, Sustainable Fisheries, Data Collection, Shrimp, Ecosystem, Law Enforcement, and Reef Fish Management Committees. After lunch, the Council will vote onExempted Fishing Permit (EFP) applications, if any; and receive updates from the following supporting agencies: South Atlantic Fishery Management Council; NOAA Office of Law Enforcement (OLE), Gulf States Marine Fisheries Commission; U.S. Coast Guard; U.S. Fish and Wildlife Service; and, the Department of State.

Lastly, the Council will discuss any Other Business items. Discussion on Aquaculture Court Decision —Meeting Adjourns

The meeting will be broadcast via webinar. You may register for the webinar by visiting www.gulfcouncil.org and clicking on the Council meeting on the calendar.

The timing and order in which agenda items are addressed may change as required to effectively address the issue, and the latest version along with other meeting materials will be posted on www.gulfcouncil.org as they become available.

Although other non-emergency issues not contained in this agenda may come
