

DATES: NARA must receive requests for copies in writing by November 9, 2018. Once NARA finishes appraising the records, we will send you a copy of the schedule you requested. We usually prepare appraisal memoranda that contain additional information concerning the records covered by a proposed schedule. You may also request these. If you do, we will also provide them once we have completed the appraisal. You have 30 days after we send to you these requested documents in which to submit comments.

Email: request.schedule@nara.gov.

You must cite the control number, which appears in parentheses after the name of the agency that submitted the schedule, and a mailing address. If you would like an appraisal report, please include that in your request.

FOR FURTHER INFORMATION CONTACT:

Margaret Hawkins, Director, by mail at Records Appraisal and Agency Assistance (ACRA); National Archives and Records Administration; 8601 Adelphi Road; College Park, MD 20740-6001, by phone at 301-837-1799, or by email at request.schedule@nara.gov.

SUPPLEMENTARY INFORMATION: NARA publishes notice in the *Federal Register* for records schedules they no longer need to conduct agency business. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

Each year, Federal agencies create billions of records on paper, film, magnetic tape, and other media. To control this accumulation, agency records managers prepare schedules proposing records retention periods and submit these schedules for NARA's approval. These schedules provide for timely transfer into the National Archives of historically valuable records and authorize the agency to dispose of all other records after the agency no longer needs them to conduct its business. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

The schedules listed in this notice are media neutral unless otherwise

specified. An item in a schedule is media neutral when an agency may apply the disposition instructions to records regardless of the medium in which it creates or maintains the records. Items included in schedules submitted to NARA on or after December 17, 2007, are media neutral unless the item is expressly limited to a specific medium. (See 36 CFR 1225.12(e).)

Agencies may not destroy Federal records without Archivist of the United States' approval. The Archivist approves destruction only after thoroughly considering the records' administrative use by the agency of origin, the rights of the Government and of private people directly affected by the Government's activities, and whether or not the records have historical or other value.

In addition to identifying the Federal agencies and any subdivisions requesting disposition authority, this notice lists the organizational unit(s) accumulating the records (or notes that the schedule has agency-wide applicability when schedules cover records that may be accumulated throughout an agency); provides the control number assigned to each schedule, the total number of schedule items, and the number of temporary items (the records proposed for destruction); and includes a brief description of the temporary records. The records schedule itself contains a full description of the records at the file unit level as well as their disposition. If NARA staff has prepared an appraisal memorandum for the schedule, it also includes information about the records. You may request additional information about the disposition process at the addresses above.

NATIONAL CREDIT UNION ADMINISTRATION

Agency Information Collection Activities: Proposed Collection; Comment Request; Credit Union Service Organizations (CUSOs)

AGENCY: National Credit Union Administration (NCUA).

ACTION: Notice and request for comment.

SUMMARY: The National Credit Union Administration (NCUA), as part of a continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to comment on the following renewal of a currently approved collection, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments should be received on or before December 10, 2018 to be assured consideration.

ADDRESSES: Interested persons are invited to submit written comments on the information collection to Dawn Wolfgang, National Credit Union Administration, 1775 Duke Street, Suite 5080, Alexandria, Virginia 22314; Fax

No. 703-519-8579; or Email at PRAComments@NCUA.gov.

FOR FURTHER INFORMATION CONTACT: Address requests for additional information to the address above or telephone 703-548-2279.

SUPPLEMENTARY INFORMATION:

OMB Number: 3133-0149.

Title: Credit Union Service Organizations (CUSOs), 12 CFR 712.

Type of Review: Revision of a currently approved collection.

Abstract: Part 712 of NCUA's rules and regulations regulates the relationship between federally insured credit unions (FICUs) and credit union service organizations (CUSOs). The rule requires that FICUs enter into a written agreement with a CUSO (prior to investing in or loaning money to) which stipulates the CUSO will follow general accepted accounting principles (GAAP); prepare quarterly financial statements; grant NCUA access to the CUSO books and records, and annually report directly to NCUA via a CUSO registry.

Affected Public: Private Sector: Not-for-profit institutions; Businesses or other for-profits.

Estimated No. of Respondents: 1,603 (FICUs and CUSOs).

Estimated Annual Frequency: 1.

Estimated Total Annual Responses: 1,603.

Estimated Total Annual Burden Hours: 2,666.

Reason for Change: The previous OMB submission contained information collection requirements which only needed to be completed one-time by all FICUs with an interest in a CUSO. Going forward, written agreement requirements will only apply to new CUSO investments. Since the previous submission, the NCUA has launched the web-based *CUSO Registry* system which has provided a better estimate of the number of CUSOs in existence. The total number of CUSOs is less than previously estimated, which has reduced the overall burden. Overall burden has been reduced by 8,893 hours from 11,559 hours to 2,666 hours.

Request for Comments: Comments submitted in response to this notice will be summarized and included in the request for Office of Management and Budget approval. All comments will become a matter of public record. The public is invited to submit comments concerning: (a) Whether the collection of information is necessary for the proper execution of the function of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information, including the validity of

the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on the respondents, including the use of automated collection techniques or other forms of information technology.

By Gerard Poliquin, Secretary of the Board, the National Credit Union Administration, on October 4, 2018.

Dated: October 4, 2018.

NCUA PRA Clearance Officer.
