

of review in the **Federal Register**.⁷ Rebuttals to case briefs, which must be limited to issues raised in the case briefs, must be filed within five days after the time limit for filing case briefs.⁸ Parties who submit arguments are requested to submit with the argument (a) a statement of the issue, (b) a brief summary of the argument, and (c) a table of authorities.⁹ Parties submitting briefs should do so pursuant to Commerce's electronic filing system, ACCESS.¹⁰

Any interested party may request a hearing within 30 days of publication of this notice.¹¹ Hearing requests should contain the following information: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.¹²

Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹³ Commerce intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review.

For Zhongwei, Commerce will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of sales, in accordance with 19 CFR 351.212(b)(1). For customers or importers of Zhongwei for which we do not have entered values, we calculated importer- (or customer-) specific antidumping duty assessment amounts based on the ratio of the total amount of dumping duties calculated for the examined sales of subject

merchandise to the total sales quantity of those same sales.¹⁴ For customers or importers of Zhongwei for which we received entered-value information, we have calculated importer- (or customer-) specific antidumping duty assessment rates based on importer- (or customer-) specific *ad valorem* rates.¹⁵ Where an importer-or (customer-) specific *ad valorem* rate is greater than *de minimis*, Commerce will instruct CBP to collect the appropriate duties at the time of liquidation.¹⁶

For entries that were not reported in the U.S. sales database submitted by an exporter individually examined during this review, Commerce will instruct CBP to liquidate such entries at the China-wide rate. Additionally, if Commerce determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number will be liquidated at the China-wide rate.¹⁷

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate (*i.e.*, Zhongwei), the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then a cash deposit of zero will be required); (2) for previously investigated or reviewed China and non-China exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all China exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity (*i.e.*, 105.31 percent);¹⁸ and (4) for all non-China exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the China exporter that supplied that non-China exporter. These deposit requirements,

when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: October 3, 2018.

SUPPLEMENTARY INFORMATION:

Background

On September 1, 2017, Commerce published a notice of opportunity to request an administrative review of the CVD order on OCTG from Turkey for the period January 1, 2016, through December 31, 2016.¹ On September 29, 2017, Commerce received a review request from Maverick Tube Corporation and TenarisBayCity (domestic interested parties), for the following seven exporters and/or producers of subject merchandise: (1) Borusan Mannesmann Boru Sanayi ve Ticaret A.S., (2) Borusan Istikbal Ticaret, (3) Cayirova Boru San A.S., (4) Cayirova Boru Sanayi ve Ticaret A.S., (5) HG Tubulars Canada Ltd., (6) Yucel Boru Ihracat ve Pazarlama A.S., and (7) Yucelboru Ihracat, Ithalat.² On October 2, 2017, Borusan submitted a letter to Commerce requesting a review of itself.³

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 82 FR 41595 (September 1, 2017).

² See Letter from Maverick Tube Corporation and TenarisBayCity, "Oil Country Tubular Goods from Turkey: Request for Administrative Review," dated September 29, 2017. The domestic interested parties also requested a review of Tosal Dis Ticaret A.S., Toscelik Profil ve Sac Endustrisi A.S., Tosal Elektrik Enerjisi Toptan Satis, Ith. Ihr. A.S., Tosal Demir Celik San. A.S., and Tosal Holding A.S. (collectively, Toscelik). However, on October 5, 2017, Commerce published an amendment to the CVD order to exclude Toscelik. Thus, Commerce did not initiate an administrative review of Toscelik. See *Oil Country Tubular Goods from the Republic of Turkey: Amendment of Countervailing Duty Order*, 82 FR 46483 (October 5, 2017).

³ See Letter from Borusan, "Oil Country Tubular Goods from Turkey, Case No. C-489-817: Request for Countervailing Duty Administrative Review," dated October 2, 2017. In the investigation, Commerce determined that Borusan Mannesmann Boru Sanayi ve Ticaret A.S. and Borusan Istikbal Ticaret are cross-owned and applied a single CVD rate to both companies. See *Certain Oil Country Tubular from the Republic of Turkey: Final Affirmative Countervailing Duty Determination and Final Affirmative Critical Circumstances Determination*, 79 FR 41964 (July 18, 2014), and

On November 13, 2017, Commerce published a notice of initiation of an administrative review for this CVD order.⁴ Commerce postponed the deadline for issuing the preliminary results of this administrative review to October 3, 2018.⁵

Scope of the Order

The merchandise covered by the order is certain OCTG, which are hollow steel products of circular cross-section, including oil well casing and tubing, of iron (other than cast iron) or steel (both carbon and alloy), whether seamless or welded, regardless of end finish (*e.g.*, whether or not plain end, threaded, or threaded and coupled) whether or not conforming to American Petroleum Institute (API) or non-API specifications, whether finished (including limited service OCTG products) or unfinished (including green tubes and limited service OCTG products), whether or not thread protectors are attached. The scope of the order also covers OCTG coupling stock. A full description of the scope of the order is contained in the Preliminary Decision Memorandum, which is hereby adopted by this notice.⁶

Methodology

We are conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we preliminarily find that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.⁷ For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.⁸ The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). Company	Net subsidy rate <i>ad valorem</i> (percent)
Borusan Mannesmann Boru Sanayi ve Ticaret A.S., and Borusan Istikbal Ticaret. ⁹	0.66

Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount shown above for Borusan, with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company specific or all-others rate applicable to the company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

⁹ Commerce has determined that Borusan Mannesmann Boru Sanayi ve Ticaret A.S. and Borusan Istikbal Ticaret are cross-owned. See Preliminary Decision Memorandum.
