

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or any rule thereunder, if such relief is necessary or appropriate in the public interest and consistent with the protection of investors and purposes fairly intended by the policy and provisions of the Act. Applicants believe that the requested relief meets this standard because, as further explained in the application, the Investment Management Agreements will remain subject to shareholder approval while the role of the Sub-Advisers is substantially similar to that of individual portfolio managers, so that requiring shareholder approval of Sub-Advisory Agreements would impose unnecessary delays and expenses on the Subadvised Series. Applicants believe that the requested relief from the Disclosure Requirements meets this standard because it will improve the Adviser's ability to negotiate fees paid to the Sub-Advisers that are more advantageous for the Subadvised Series.

For the Commission, by the Division of Investment Management, under delegated authority.

Eduardo A. Aleman,
Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-84378; File No. SR-CboeBZX-2018-044]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing of Amendment No. 1 and Order Instituting Proceedings To Determine Whether To Approve or Disapprove a Proposed Rule Change, as Modified by Amendment No. 1, To Amend BZX Rule 14.11(c) (Index Fund Shares)

October 5, 2018.

I. Introduction

On June 21, 2018, Cboe BZX Exchange, Inc. ("Exchange" or "BZX") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend BZX Rule 14.11(c) to permit either the portfolio holdings of a series of Index Fund Shares or the index underlying a series of Index Fund

Shares to satisfy the listing standards under BZX Rules 14.11(c)(3), (4), and (5). The proposed rule change was published for comment in the **Federal Register** on July 11, 2018.³ On August 23, 2018, pursuant to Section 19(b)(2) of the Act,⁴ the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to approve or disapprove the proposed rule change.⁵ On September 28, 2018, the Exchange filed Amendment No. 1 to the proposed rule change, which amended and replaced the proposed rule change as originally filed.⁶ The Commission has received no comment letters on the proposal. The Commission is publishing this notice and order to solicit comments on the proposed rule change, as modified by Amendment No. 1, from interested persons and to institute proceedings pursuant to Section 19(b)(2)(B) of the Act⁷ to determine whether to approve or disapprove the proposed rule change, as modified by Amendment No. 1.

II. Description of the Proposal, as Modified by Amendment No. 1⁸

BZX Rule 14.11(c) sets forth the listing standards for Index Fund Shares. Currently, the Exchange determines whether a series of Index Fund Shares meets the initial and continued listing standards under BZX Rules 14.11(c)(3), (4), and (5) by assessing the underlying index. The Exchange now proposes to permit either the portfolio holdings of a series of Index Fund Shares or the index underlying a series of Index Fund Shares to satisfy the initial and continued listing standards under BZX Rules 14.11(c)(3), (4), and (5). As a

result, the proposal would allow the Exchange to generically list a series of Index Fund Shares where the generic listing standards are satisfied by either its portfolio holdings or its underlying index.

The Exchange also proposes to amend BZX Rules 14.11(c)(1)(C),⁹ 14.11(c)(8),¹⁰ and 14.11(c)(9)(B)(i)(b)¹¹ to eliminate certain references to the term "portfolio" such that the amended provisions would apply only to the underlying index. As proposed, all other references to "index or portfolio" or "portfolio or index" in BZX Rule 14.11(c) would mean the index underlying a series of Index Fund Shares or the portfolio holdings of a series of Index Fund Shares.

The Exchange represents that it has in place surveillance procedures that are adequate to properly monitor trading in Index Fund Shares in all trading sessions and to deter and detect violations of Exchange rules and applicable federal securities laws. In addition, the Exchange states that it does not believe that the proposal will result in any meaningful additional costs associated with regulatory review, but to the extent that it does, the Exchange either already has or will dedicate sufficient additional resources to perform such reviews.

⁹ BZX Rule 14.11(c)(1)(C) currently defines the term "Reporting Authority" to mean, in part, the official source for calculating and reporting information relating to a series of Index Fund Shares, including, but not limited to, any current index "or portfolio" value. The Exchange proposes to delete the term "or portfolio" from this provision.

¹⁰ BZX Rule 14.11(c)(8) currently provides, in part, that the Exchange may list and trade Index Fund Shares based on one or more foreign or domestic indexes "or portfolios" and that each issue of Index Fund Shares based on each particular index "or portfolio, or combination thereof," shall be designated as a separate series and shall be identified by a unique symbol. The Exchange proposes to delete the terms "or portfolios" and "or portfolio, or combination thereof," from this provision.

¹¹ BZX Rule 14.11(c)(9)(B)(i)(b) currently provides, in part, that the Exchange will consider the suspension of trading in and will initiate delisting proceedings for a series of Index Fund Shares if the value of the index "or portfolio" of securities on which the series of Index Fund Shares is based is no longer calculated or available, or an interruption to the dissemination of the value of the index "or portfolio" of securities persists past the trading day in which it occurred, or the index "or portfolio" on which a series of Index Fund Shares is based is replaced with a new index "or portfolio" unless certain conditions are met. The Exchange proposes to delete the terms "or portfolio" from this provision.

The Commission designated October 9, 2018 as the date by which the Commission shall approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to approve or disapprove the proposed rule change.

⁶ In Amendment No. 1, the Exchange: (1) Proposed to delete certain references to the term "portfolio" in BZX Rules 14.11(c)(1)(C), 14.11(c)(8), and 14.11(c)(9)(B)(i)(b) such that the amended provisions would apply only to the index underlying a series of Index Fund Shares; (2) represented that, to the extent that the proposal results in meaningful additional costs associated with regulatory review, the Exchange either already has or will dedicate sufficient additional resources to perform such reviews; (3) supplemented its arguments in support of the proposal; and (4) made technical and conforming changes. III. Proceedings to Determine Whether To Approve or Disapprove SR–ChoeBZX–2018–044, as Modified by Amendment No. 1, and Grounds for Disapproval Under Consideration

The Commission is instituting proceedings pursuant to Section 19(b)(2)(B) of the Act¹² to determine whether the proposed rule change, as modified by Amendment No. 1, should be approved or disapproved. Institution of proceedings is appropriate at this time in view of the legal and policy issues raised by the proposal. Institution of proceedings does not indicate that the Commission has reached any conclusions with respect to any of the issues involved. Rather, as described below, the Commission seeks and encourages interested persons to provide comments on the proposed rule change, as modified by Amendment No. 1.

Pursuant to Section 19(b)(2)(B) of the Act,¹³ the Commission is providing notice of the grounds for disapproval under consideration. The Commission is instituting proceedings to allow for additional analysis of the proposal's consistency with Section 6(b)(5) of the Act,¹⁴ which requires, among other things, that the rules of a national securities exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and to protect investors and the public interest.

As discussed above, the proposal would permit either the portfolio holdings of a series of Index Fund Shares or the index underlying a series of Index Fund Shares to satisfy the initial and continued listing standards under BZX Rules 14.11(c)(3), (4), and (5). The Exchange asserts that the proposal would provide issuers of Index Fund Shares with a greater degree of control over whether their products meet their ongoing listing obligations, and that the proposal would accomplish the policy goals underlying the listing standards for Index Fund Shares.¹⁵ In particular, the Exchange asserts that the index methodology for an index underlying a series of Index Fund Shares is out of the control of the issuers of the products, and that it is problematic to require an issuer to ensure that the underlying index meets listing standards on an ongoing basis.¹⁶

The Exchange also asserts that, after a series of Index Fund Shares is listed on the Exchange, both the index constituents and the portfolio holdings are equally viable for evaluating whether the shares are susceptible to manipulation.¹⁷ Moreover, according to the Exchange, portfolio holdings are arguably a better means for making these determinations than the underlying index because the portfolio holdings reflect the actual assets held by a series of Index Fund Shares, whereas the index constituents are just the assets that the series is designed to track.¹⁸ Additionally, the Exchange states that any series of Index Fund Shares listed on the Exchange must meet all requirements applicable under the Investment Company Act of 1940, including Rule 35d–1,¹⁹ which requires a series of Index Fund Shares to invest at least 80% of its assets in investments connoted by the index (“80% Rule”).²⁰ According to the Exchange, the 80% Rule would provide assurance that there is significant overlap between the portfolio holdings and the underlying index.²¹ Finally, the Exchange compares Index Fund Shares to Managed Fund Shares, and notes that the generic listing standards for Managed Fund Shares under BZX Rule 14.11(i) apply to portfolio holdings.²²

The Commission asks that commenters address the sufficiency of the Exchange's statements in support of

into compliance are through natural market movements, an index rebalance, a change to the index methodology, or a change of index. *See id.* The Exchange asserts that: (1) It is not feasible for an issuer to rely on natural market movements to bring a series of Index Fund Shares back into compliance with the listing standards; (2) an index rebalance may or may not bring a series of Index Fund Shares back into compliance, and index rebalances may not occur within the cure periods specified in BZX Rule 14.12 (*i.e.*, up to 180 calendar days from initial notice of non-compliance with the listing standards); and (3) changing an index's methodology or changing the underlying index would require significant effort and months of notice, and therefore also may not occur within the cure periods specified in BZX Rule 14.12. *See id.*

¹⁷ *See id.* at 5.

¹⁸ *See id.* at 6. The Exchange acknowledges that allowing the portfolio holdings to satisfy the generic listing standards could raise concerns that a series of Index Fund Shares may be based on an index that does not meet the generic listing standards and therefore may be susceptible to manipulation. *See id.* at 9. However, the Exchange argues that, currently, a series of Index Fund Shares overlying an index that meets the generic listing standards may have portfolio holdings that could theoretically be susceptible to manipulation (and/or the creation and redemption process and the arbitrage mechanisms would not operate efficiently) because the portfolio holdings do not meet the generic listing standards. *See id.*

the proposal, which are set forth in Amendment No. 1,²³ in addition to any other comments they may wish to submit about the proposal. In particular, the Commission seeks comment regarding whether the proposal would result in the listing and trading of Index Fund Shares that are susceptible to manipulation because they overlie indexes that do not meet the listing standards under BZX Rule 14.11(c). The Commission seeks comment regarding whether the 80% Rule or any other safeguard would help assure that, as long as the portfolio holdings meet the listing standards under BZX Rules 14.11(c)(3), (4), and (5), the Index Fund Shares would not be susceptible to manipulation. The Commission also seeks comment regarding whether the proposal sufficiently addressed manipulation risk by merely applying, without change, the current listing standards under BZX Rules 14.11(c)(3), (4), and (5) that are applicable to the underlying index to the portfolio holdings of a series of Index Fund Shares.²⁴ Moreover, the Commission seeks comment regarding whether the Exchange has sufficiently justified the flexibility it seeks under the proposal, which would allow the Exchange to choose to apply the listing standards under BZX Rules 14.11(c)(3), (4), and (5) to either the portfolio holdings or the underlying index, both at the time of initial listing and at any time thereafter.²⁵ Finally, the Commission seeks comment regarding the sufficiency of the Exchange's statements in support of the deletion of certain references to the term “portfolio” in BZX Rules 14.11(c)(1)(C), 14.11(c)(8), and 14.11(c)(9)(B)(i)(b).

IV. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposed rule change, as modified by Amendment No. 1, is consistent with Section 6(b)(5) or any other provision of the Act, or the rules and regulations

²³ *See supra* note 6.

²⁴ The Commission notes that there are differences between the listing standards for Index Fund Shares under BZX Rule 14.11(c) and the listing standards for Managed Fund Shares under BZX Rule 14.11(i).

²⁵ As proposed, the Exchange could assess the portfolio holdings at one time, and assess the underlying index at another time.

Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b-4 under the Act,²⁶ any request for an opportunity to make an oral presentation.²⁷

Interested persons are invited to submit written data, views, and arguments regarding whether the proposed rule change, as modified by Amendment No. 1, should be approved or disapproved by November 2, 2018.
