

Background

On May 3, 2018, the Commission issued a *Notice of Intent to Prepare an Environmental Assessment for the Proposed Cheyenne Connector Pipeline and Cheyenne Hub Enhancement Projects and Request for Comments on Environmental Issues* (NOI). The NOI was sent to affected landowners; federal, state, and local government agencies; elected officials; environmental and public interest groups; Native American tribes; other interested parties; and local libraries and newspapers. In response to the NOI, the Commission received comments from: DCP Midstream, LP, Teamsters National Pipeline LMCP, Colorado Interstate Pipeline, L.L.C., Anadarko Energy Services Company, Cheyenne Connector, LLC, HLT Farms, LLLP, the Town of Kersey, two Native American tribes, and four individuals. The primary issues raised by the commentors are alternatives, Project construction affecting the Irons Lateral Ditch, cultural resources, public health and safety, land values, industrialization of agricultural land, and environmental justice. All substantive comments will be addressed in the EA.
