Needs and Uses: This request is for a revision and extension of a currently approved information collection through the *Environmental Compliance Questionnaire for National Oceanic and Atmospheric Administration Federal Financial Assistance Applicants* (Questionnaire). This Questionnaire is used by the National Oceanic and Atmospheric Administration (NOAA) to collect information about proposed activities for the purpose of complying with the National Environmental Policy Act ("NEPA," 42 U.S.C. 4321-4370) and other environmental compliance requirements associated with proposed activities. NEPA requires federal agencies to complete an environmental analysis for all major federal actions, including funding non-federal activities through federal financial assistance awards where federal participation in the funded activity is expected to be significant. The Questionnaire is used in conjunction with NOAA Notices of Funding Opportunity (NOFO).

The NOFO will indicate the specific questions to which an applicant must respond in one of three ways: (1) The applicable questions are inserted directly into the NOFO with reference to the OMB Control Number (0648-0538) for this form; (2) the NOFO will specify which questions (e.g., 1, 2) an applicant must answer, with the entire OMB-approved Questionnaire attached to the NOFO; or (3) applicants to be recommended for funding will be required to answer relevant questions

from the Questionnaire. The federal program officer will determine which questions are relevant to each specific applicant. Answers must be provided before the application can be submitted for final funding approval.

This Questionnaire has been revised to (1) remove repetitive questions; (2) revise specific questions to use plain language; and (3) add questions that would be helpful to a wider range of NOAA programs.

AGENCY: Committee for the Implementation of Textile Agreements (CITA).

ACTION: Request for public comments concerning a request for modification of the U.S.-Korea Free Trade Agreement (KORUS) rules of origin for certain textile and apparel products.

SUMMARY: The Government of the United States received a request from the Government of Korea, submitted on September 24, 2018, to initiate consultations under the KORUS. The Government of Korea is requesting that the United States and Korea ("the Parties") consider revising the rules of origin for certain yarns, woven fabrics, and knit apparel to address availability of supply of fibers and yarns in the territories of the Parties. CITA hereby solicits public comments on this request, in particular with regard to whether certain fibers, yarns, and knit

fabrics can be supplied by the U.S. domestic industry in commercial quantities in a timely manner.
