

intend to issue the final results of this administrative review, including the results of our analysis of issues raised by the parties in the written comments, within 120 days of publication of these preliminary results in the **Federal Register**, unless otherwise extended.¹¹

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries. Commerce intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of this review.

For entries of subject merchandise during the POR produced by each respondent for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹² Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the company for which this review is rescinded, antidumping duties will be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawn from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Cash Deposit Requirement

The following cash deposit requirements will be effective upon publication of the notice of the final results of administrative review for all shipments of pipe fittings from Malaysia entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies under review will be the rate established in the final results of this

review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of the proceeding for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 7.51 percent *ad valorem*, the all-others rate established in the less-than-fair value investigation.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

These preliminary results and partial rescission of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h)(1).

Dated: October 18, 2018.

James Maeder,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the duties of Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Steel Racks and Parts Thereof From the People's Republic of China: Postponement of Preliminary Determination in the Less-Than-Fair-Value Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable October 24, 2018.

FOR FURTHER INFORMATION CONTACT: Jonathan Hill at (202) 482-3518 or Patrick O'Connor at (202) 482-0989, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On July 10, 2018, the Department of Commerce (Commerce) initiated a less-than-fair-value (LTFV) investigation of imports of steel racks and parts thereof (steel racks) from the People's Republic of China.¹ Currently, the preliminary determination is due no later than November 27, 2018.

Postponement of Preliminary Determination

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, and determines that the investigation is extraordinarily complicated and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless

it finds compelling reasons to deny the request.

On September 26, 2018, the petitioner² in the steel racks LTFV investigation submitted a timely request that Commerce postpone the preliminary determination in the investigation to the maximum extent permitted under the statute.³ The petitioner requested the postponement to provide Commerce, and the petitioner, time to review questionnaire responses and identify deficiencies within those responses, and to provide time for Commerce to issue, and receive responses to, supplemental questionnaires prior to the preliminary determination.⁴

For the reasons stated above by the petitioner, and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination in the steel racks LTFV investigation by 50 days (*i.e.*, until 190 days after the date on which this investigation was initiated). As a result, Commerce will issue its preliminary determination in the steel racks LTFV investigation no later than January 16, 2019. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination in this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: October 18, 2018.

Deputy Assistant Secretary for Enforcement and Compliance.

Background

On July 9, 2018, Commerce published the *Preliminary Results*.¹ Since the *Preliminary Results*, the following events have taken place: Commerce received a timely case brief from the petitioners² on August 8, 2018. Ercros filed a timely rebuttal brief on August 13, 2018.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding the *Preliminary Results*, we have made no changes to our calculations. Therefore, the final results do not differ from the *Preliminary Results*.

Final Results of Review

As a result of this review, we determine that, for the period June 1, 2016, through May 31, 2017, the following dumping margin exists:

Manufacturer/exporter	Weight-average dumping margin (percent)
Ercros	0.00

Assessment Rates

Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of these final results of review. Since Ercros’ weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce clarified its “automatic assessment” regulation on May 6, 2003.⁴ This clarification will apply to entries of subject merchandise during the POR produced by Ercros for which these companies did not know that the merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate un-reviewed entries at the all-others rate during the POR if there is no rate for the
