Correction

In the final flood hazard determination notice published at 83 FR

22278–22279 in the May 14, 2018, issue of the **Federal Register**, FEMA published a table titled "Atlantic County, New Jersey (All Jurisdictions)". This table contained inaccurate information as to the community map repository for the Town of Hammonton featured in the table.

In this document, FEMA is publishing a table containing the accurate information. The information provided below should be used in lieu of that previously published.

Deputy Associate Administrator for Insurance and Mitigation, Department of Homeland Security, Federal Emergency Management Agency.
