Request for Comments on the Renewal of a Previously Approved Information Collection: Monthly Report of Ocean Shipments Moving Under Export-Import Bank Financing

AGENCY: Maritime Administration, DOT.

ACTION: Notice and request for comments.

SUMMARY: The Maritime Administration (MARAD) invites public comments on our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The collection involves documenting shipments made during the life of certain EXIM Bank financed projects. The information to be collected is necessary for MARAD to fulfill its legislative requirement to monitor the

percentage of ocean freight revenues/tonnage. We are required to publish this notice in the **Federal Register** by the Paperwork Reduction Act of 1995, Public Law 104-13.

DATES: Comments must be submitted on or before December 24, 2018.

ADDRESSES: You may submit comments identified by Docket No. MARAD-2018-0157 through one of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Search using the above DOT docket number and follow the online instructions for submitting comments.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the Department's performance; (b) the accuracy of the estimated burden; (c) ways for the Department to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. SUPPLEMENTARY INFORMATION:

Title: Monthly Report of Ocean Shipments Moving Under Export-Import Bank Financing.

OMB Control Number: 2133-0013.

Type of Request: Renewal of a Previously Approved Information Collection.

Abstract: The information collection will be used by MARAD to monitor compliance with the cargo preference laws by parties covered under PR 17 and 46 CFR part 381. In addition, MARAD will use the information to compile annual information on Export-Import Bank-financed shipments, and when applicable, to provide for an informal grievance procedure, in the event there is a question or complaint pertaining to cargo preference matters.

The monthly shipping reports, with substantiating documents, will provide the only basis for MARAD to exercise its

legislative responsibility to monitor Export-Import Bank-financed cargoes that are transported on U.S.-flag vessels, recipient flag vessels and on third-flag vessels according to the determinations and certifications of vessel non-availability that have been granted. The compilation of the statistics from the shipping reports forms the basis for determining compliance with PR 17 for each loan participant. This information is also provided to the Export-Import Bank, and is the nucleus for conducting annual reviews of the shipping activities of the Export-Import Bank programs.

MARAD uses the information collected as part of the Transparency Initiative to share with the Export-Import Bank. MARAD also intends to use the information to assist Ex-Im Bank shippers with finding suitable U.S.-flag vessels and in support of the determinations MARAD makes with respect to requests from Export-Import Bank shippers for certifications of non-availability.

1. *Title:* Brewer's Report of Operations and Quarterly Brewer's Report of Operations.

OMB Control Number: 1513-0007.

Type of Review: Extension without change of a currently approved collection.

Description: The Internal Revenue Code (IRC) at 26 U.S.C. 5415 requires that all brewers furnish reports of operations and transactions in the form, at the times, and for such periods as the Secretary of the Treasury prescribes by regulation. Under that authority, the TTB regulations require brewers to file monthly operations reports using TTB F 5130.9, Brewer's Report of Operations, if they anticipate an annual Federal excise tax liability of \$50,000 or more for beer in a given calendar year. For brewers that anticipate a liability of less than \$50,000 for such taxes in a given year and that had such liability the previous year, the TTB regulations require such brewers to file quarterly operations reports using TTB F 5130.9 or the simplified TTB F 5130.26, Quarterly Brewer's Report of Operations. The information collected from brewers on their operations reports regarding the amount of beer they produce, receive, return, remove, transfer, destroy, or otherwise gain or dispose of is necessary to protect the revenue and ensure compliance with statutory and regulatory requirements.

Affected Public: Businesses or other for-profits.

Estimated Number of Respondents: 5,300.

Frequency of Response: Monthly, Quarterly.
