

SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501–3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information that they conduct or sponsor. “Collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of title 44 requires federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the proposed collection of information set forth in this document.

Section 1473(p) of the Dodd-Frank Wall Street Reform and Consumer Protection Act² provides that if the Appraisal Subcommittee (ASC) of the Federal Financial Institutions Examination Council (FFIEC) determines, six months after enactment of that section (*i.e.*, January 21, 2011), that no national hotline exists to receive complaints of non-compliance with appraisal independence standards and Uniform Standards of Professional Appraisal Practice (USPAP), then the ASC shall establish and operate such a hotline (ASC Hotline). The ASC Hotline shall include a toll-free telephone number and an email address. Section 1473(p) further directs the ASC to refer complaints received through the ASC Hotline to the appropriate government bodies for further action, which may include referrals to OCC, the Federal Reserve Board (Board), the Federal Deposit Insurance Corporation (FDIC), the National Credit Union Administration (NCUA), the Bureau of Consumer Financial Protection (CFPB), and state agencies. The ASC determined that a national appraisal hotline did not exist at a meeting held on January 12, 2011, and a notice of that determination was published in the **Federal Register** on January 28, 2011, (76 FR 5161). As a result, the ASC established a hotline to refer complaints to appropriate state and federal regulators.

Representatives from the OCC, the Board, the FDIC, the NCUA (Agencies), and the CFPB met and established a process to facilitate the referral of complaints received through the ASC Hotline to the appropriate federal

financial institution regulatory agency or agencies. The Agencies developed the Interagency Appraisal Complaint Form to collect information necessary to take further action on the complaint. The CFPB incorporated the process into one of their existing systems.

The Interagency Appraisal Complaint Form was developed for use by those who wish to file a formal, written complaint that an entity subject to the jurisdiction of one or more of the Agencies has failed to comply with the appraisal independence standards or USPAP. The Interagency Appraisal Complaint Form is designed to collect information necessary for the Agencies to take further action on a complaint from an appraiser, other individual, financial institution, or other entities. The Agencies use the information to take further action on the complaint to the extent the complaint relates to an issue within their jurisdiction.

OMB Control No.: 1557–0314.

Estimated Number of Respondents: 100.

Estimated Burden per Response: 0.5 hours.

Estimated Total Annual Burden: 50 hours.

Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC’s estimates of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
