

employer in loading, unloading, repairing, or building a vessel. In addition, several acts extend the Longshore Act's coverage to certain other employees.

The Longshore and Harbor Workers' Compensation Act (LHWCA), at 33 U.S.C. 919(e), requires that any order rejecting or making an LHWCA award (a compensation order) be filed in the appropriate district director's office of the Office of Workers' Compensation Programs (OWCP), and that copies be sent by registered or certified mail to the claimant and the employer. The implementing regulations at 20 CFR 702.349(b) allow parties and their representatives to waive certified mail service and consent to electronic service instead. The compensation order notifies Employers/Carriers that payment of LHWCA compensation is due within 10 days of filing. If compensation is not paid within that time frame, an additional 20% in compensation must be paid [see LHWCA § 914(f)].

The information collected will be used by OWCP to more efficiently serve compensation orders by email instead of by registered or certified mail. Form LS-801 will be completed by the employer/insurance carrier and/or an authorized representative and forwarded to the District Director indicating waiver of service by registered or certified mail and designation of receipt by email instead. The LS-802 will be completed by the claimants and/or an authorized representative and forwarded to the District Director indicating waiver of service by registered or certified mail and designation of receipt by email instead. This information collection is currently approved for use through February 28, 2019.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- * Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated,
