DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. AD19-6-000]

Notice of Availability of Draft Guidance for Horizontal Directional Drill Monitoring, Inadvertent Return Response, and Contingency Plans

The staff of the Office of Energy Projects (OEP) has prepared draft *Guidance for Horizontal Directional Drill Monitoring, Inadvertent Return Response, and Contingency Plans* (HDD Guidance). Commission staff is asking for comments on the draft HDD Guidance from federal and state

agencies, environmental consultants, inspectors, the natural gas industry, construction contractors, and other interested parties with special expertise in regards to preparation of HDD monitoring and contingency plans associated with natural gas projects. Please note that this comment period will close on December 28, 2018.

The draft HDD Guidance is available for public viewing on the Federal Energy Regulatory Commission's (FERC or Commission) website (www.ferc.gov) using the eLibrary link. Click on the eLibrary link, click on General Search, and enter the docket number excluding the last three digits in the Docket Number field (*i.e.*, AD19-6). Be sure you have selected an appropriate date range.

Applicable sections of the Code of Federal Regulations Title 18 are referenced or summarized throughout the draft HDD Guidance. OEP staff is *not* seeking comment on any existing regulations or contemplating any changes to regulations within the context of the HDD Guidance. Comments pertaining to regulation changes will not be considered as we develop the final HDD Guidance.¹ OEP staff anticipates issuing a final updated version of the HDD Guidance in February 2019. We will consider all timely comments on the draft before issuing the final version.

Interested parties can help us determine appropriate updates and improvements by providing comments or suggestions that focus on the specific sections of the HDD Guidance requiring clarification, updates to reflect current laws and regulations, or additional information that should be included in each resource report. The more specific your comments, the more useful they will be. A detailed explanation of the rationale underlying your suggested modifications and/or any references to scientific studies associated with your comments would greatly help us with this process.

For your convenience, there are three methods you can use to submit your comments to the Commission. In all instances, please reference the docket number (AD19-6-000) with your submission. The Commission encourages electronic filing of comments and has staff available to assist you at FercOnlineSupport@ferc.gov or toll free at (866) 208-3676, or for TTY, contact (202) 502-8659.

(1) You can file your comments electronically using the eComment feature on the Commission's website

¹ The HDD Guidance is covered under the information collection requirements of FERC-577 (OMB Control No. 1902-0108).

(www.ferc.gov) under the link to Documents and Filings. This is an easy method for interested persons to submit brief, text-only comments;

(2) You can file your comments electronically using the eFiling feature on the Commission's website (www.ferc.gov) under the link to Documents and Filings. With eFiling, you can provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on eRegister. You must select the type of filing you are making, select Comment on a Filing; or

(3) You can file a paper copy of your comments by mailing them to the following address. Be sure to reference Docket No. AD19-6-000 on your submission: Kimberly D. Bose, Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Room 1A, Washington, DC 20426.

All of the information related to the proposed updates to the HDD Guidance and submitted comments can be found on the FERC website (www.ferc.gov) using the eLibrary link and docket number (*i.e.*, AD19-6). The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. Go to www.ferc.gov/docs-filing/esubscription.asp.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP18-89-000]

Notice of Revised Schedule for Environmental Review of the Empire Pipeline, Inc., Empire North Project

This notice identifies the Federal Energy Regulatory Commission staff's revised schedule for the completion of the environmental assessment (EA) for Empire Pipeline, Inc.'s Empire North Project. The first notice of schedule,

issued on August 17, 2018, identified November 20, 2018 as the EA issuance date. However, staff has received all the information necessary to complete our review. As a result, staff has revised the schedule for issuance of the EA.

Schedule for Environmental Review

Issuance of Notice of Availability of the EA—October 30, 2018
90-day Federal Authorization Decision Deadline—January 28, 2019

If a schedule change becomes necessary, an additional notice will be provided so that the relevant agencies are kept informed of the project's progress.

Additional Information

In order to receive notification of the issuance of the EA and to keep track of all formal issuances and submittals in specific dockets, the Commission offers a free service called eSubscription. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. Go to www.ferc.gov/docs-filing/esubscription.asp.

Additional information about the Project is available from the Commission's Office of External Affairs at (866) 208-FERC or on the FERC website (www.ferc.gov). Using the eLibrary link, select General Search from the eLibrary menu, enter the selected date range and Docket Number excluding the last three digits (*i.e.*, CP18-89), and follow the instructions. For assistance with access to eLibrary, the helpline can be reached at (866) 208-3676, TTY (202) 502-8659, or at FERCOnlineSupport@ferc.gov. The eLibrary link on the FERC website also provides access to the texts of formal documents issued by the Commission, such as orders, notices, and rule makings.

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OAR-2018-0279; FRL-9986-01-OAR]

Release of Draft Integrated Review Plan for the Ozone National Ambient Air Quality Standards

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of availability.

SUMMARY: On or about October 29, 2018, the Environmental Protection Agency (EPA) is making available for public review the draft Integrated Review Plan for the Ozone National Ambient Air Quality Standards (draft IRP). This document contains the draft plans and the anticipated schedule for the current review of the air quality criteria and national ambient air quality standards (NAAQS) for photochemical oxidants including ozone (O₃). The primary and secondary O₃ NAAQS are set to protect the public health and the public welfare from O₃ in ambient air.

DATES: Comments must be received on or before December 3, 2018.

ADDRESSES: Submit your comments and related information, identified by Docket ID No. EPA-HQ-OAR-2018-0279 to the *Federal eRulemaking Portal*: <https://www.regulations.gov>. Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or withdrawn. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*e.g.*, on the Web, Cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www2.epa.gov/dockets/commenting-epa-dockets>.

This document will be available on the EPA's website at <https://www.epa.gov/naaqs/ozone-o3-air-quality-standards>. The document will be accessible under "Planning Documents" from the current review.

FOR FURTHER INFORMATION CONTACT: Dr. Deirdre L. Murphy, Office of Air Quality Planning and Standards, (Mail Code C504-06), U.S. Environmental Protection Agency, Research Triangle Park, NC 27711; telephone number: 919-541-0729, fax number: 919-541-027; or email: murphy.deirdre@epa.gov.

SUPPLEMENTARY INFORMATION:

I. General Information

A. What should I consider as I prepare my comments for the EPA?

1. *Submitting CBI.* Do not submit this information to the EPA through <https://www.regulations.gov> or email. Clearly mark the part or all of the information that you claim to be CBI. For CBI information on any digital storage media that you mail to the EPA, mark the outside of the digital storage media as CBI and then identify electronically within the digital storage media the specific information that is claimed as CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. If you submit any digital storage media that does not contain CBI, mark the outside of the digital storage media clearly that it does not contain CBI. Information so marked will not be disclosed except in accordance with procedures set forth in 40 Code of Federal Regulations (CFR) part 2. Send or deliver information identified as CBI only to the following address: OAQPS Document Control Officer (C404-02), OAQPS, U.S. Environmental Protection Agency, Research Triangle Park, North Carolina, 27711, Attention Docket ID No. EPA-HQ-OAR-2018-0279.

2. *Tips for Preparing your Comments.* When submitting comments, remember to:

- Identify the notice by docket number and other identifying information (subject heading, **Federal Register** date and page number).
- Follow directions. The agency may ask you to respond to specific questions or organize comments by referencing a CFR part or section number.
- Explain why you agree or disagree; suggest alternative and substitute language for your requested changes.
- Describe any assumption and provide any technical information and/or data that you used.
- If you estimate potential costs or burdens, explain how you arrived at your estimate in sufficient detail to allow for it to be reproduced.
- Provide specific examples to illustrate your concerns and suggest alternatives.
- Explain your views as clearly as possible, avoiding the use of profanity or personal threats.
- Make sure to submit your comments by the comment period deadline identified.
