

§ 111.6 Procedures.

(a) *Recipients of payment.* The Secretary concerned makes TC payments to Service member dependents, former dependents, or court-appointed guardians as described by 10 U.S.C. 1059. If a recipient is incapable of handling his or her own affairs, payments may be made only to a court-appointed guardian.

(b) Payments.

(1) Payments begin in accordance with 10 U.S.C. 1059.

(2) Payments must continue for at least 12 months and no more than 36 months, as prescribed by the applicable Secretary of the Military Department. When the unserved portion of the Service member's obligated active duty service, as of the starting date of payment, is greater than 12 months and less than or equal to 36 months, payments continue for no less than the unserved portion.

(i) For enlisted Service members, obligated active duty service is the time remaining on their terms of enlistment.

(ii) For officers, obligated active duty service is indefinite unless an officer has a date of separation established. In that case, it is the time remaining until the date of separation.

(3) The amount of payment will be in accordance with 10 U.S.C. 1059. Partial month entitlements are pro-rated. If a recipient dies, arrears of payments are not paid.

(4) Payments will be stopped in accordance with 10 U.S.C. 1059.

(i) Payments will end on the first day of the first month following the month in which the Secretary concerned notifies the recipient of such transitional compensation in writing that the payment of TC will stop.

(ii) Recipients are not required to repay amounts of TC received before the effective date payment is stopped, in accordance with paragraph (b)(4)(i) of this section; however, TC may be recouped for erroneous payments or payments made based on false information provided.

(c) *Forfeiture provisions.* In addition to 10 U.S.C. 1059, the following requirements apply:

(1) The former spouse receiving TC must notify the Defense Finance Accounting Services (DFAS) within 30 days of remarriage or if the spouse or former spouse begins residing in the same household as the spouse or former spouse.

(2) If a Service member's dependent child is not living in the same household as the spouse or former spouse who forfeits TC, payments are made to each dependent child or his or her court-appointed guardian.

(3) In order to continue benefits, the spouse or former spouse must annually certify to DFAS that he or she is not remarried or is not cohabitating with the Service member separated for the abuse. DFAS will provide a form for recertification of benefits.

(d) *Coordination of benefits.* A spouse or former spouse may not concurrently receive TC payments and retired pay payments pursuant to 10 U.S.C. 1059 and 1408(h), respectively. If a spouse or former spouse is eligible for both TC payments and retired pay payments, the spouse or former spouse chooses which of the two payments to receive. If the spouse or former spouse receives TC payments and later receives payments from a Service member's retired pay, any TC received concurrently with retired pay must be recouped.

(e) *Source of funds.* TC must be paid from operations and maintenance funds of the Department of the Service member.

(f) *Application of procedures.* An individual must initiate a request for TC through a Service-appointed representative. The Service-appointed representative:

(1) Collects data and validates the claim using DD Form 2698 (available at <http://www.esd.whs.mil/Portals/54/Documents/DD/forms/dd/dd2698.pdf>).

(2) Approves payment and forwards the application to DFAS unless otherwise submitted by the Secretary concerned in accordance with 10 U.S.C. 1059.

(g) *Commissary and exchange benefits*
(1) A recipient of TC is entitled to use commissary and exchange stores while receiving payments.

(2) If a recipient entitled to use commissary and exchange stores is also entitled to use commissary and exchange stores under another provision of law, the entitlement is determined under the other provision of law and not paragraph (g)(1).

(h) Medical benefits.

(1) The Secretary concerned will determine appropriate medical and dental care eligibility for TC recipients and affected dependents. At a minimum, an abused dependent who is receiving TC in accordance with paragraph (a) of this part may receive medical and dental care, including mental health services, in facilities of the military services or through the TRICARE program as outlined in 10 U.S.C. 1076 and 1077.

(2) Dental care may be provided on a space-available basis in facilities of the military services.

(3) Eligible dependents of a member who is retirement eligible, but who loses eligibility for retirement pay because of

dependent-abuse misconduct, may receive medical and dental care in accordance with 10 U.S.C. 1408(h).

RIN 1625-AA00

Safety Zone for Fireworks Display, Upper Potomac River, Washington Channel, DC

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish a temporary safety zone for certain waters of the Upper Potomac River. This action is necessary to provide for the safety of life on these navigable waters of the Washington Channel adjacent to The Wharf DC, Washington, DC, during a fireworks display on December 1, 2018. This proposed rulemaking would prohibit persons and vessels from being in the safety zone unless authorized by the Captain of the Port Maryland-National Capital Region or a designated representative. We invite your comments on this proposed rulemaking.

DATES: Comments and related material must be received by the Coast Guard on or before November 19, 2018.

ADDRESSES: You may submit comments identified by docket number USCG-2018-0999 using the Federal eRulemaking Portal at <http://www.regulations.gov>. See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

II. Background, Purpose, and Legal Basis

On October 10, 2018, Pyrotecnico, Inc., of New Castle, PA, notified the Coast Guard that it will be conducting a fireworks display from 7:45 p.m. to 8 p.m. on December 1, 2018, sponsored by The Wharf DC. The fireworks are to be launched from a barge in the Washington Channel, adjacent to The Wharf DC in Washington, DC. Additional details were received on October 18, 2018. Hazards from the fireworks display include accidental discharge of fireworks, dangerous projectiles, and falling hot embers or other debris. The Captain of the Port Maryland-National Capital Region (COTP) has determined that potential hazards associated with the fireworks to be used in this display would be a safety concern for anyone within 200 feet of the fireworks barge.

The purpose of this rulemaking is to ensure the safety of vessels on the navigable waters within 200 feet of the fireworks barge on the Washington Channel before, during, and after the scheduled event. The Coast Guard proposes this rulemaking under authority in 33 U.S.C. 1231.

Because of when final details of the event were provided to the Coast Guard, the Coast Guard does not have time to provide a full 30 day comment period and publish a final rule. Instead, the Coast Guard is providing 14 day comment period. The Coast Guard believes that 14 days will provide adequate time for interested individuals to review and provide meaningful comment on the proposal.

III. Discussion of Proposed Rule

The COTP proposes to establish a temporary safety zone in the Washington Channel from 7 p.m. to 9 p.m. on December 1, 2018. The safety zone would cover all navigable waters within 200 feet of the fireworks barge in the Washington Channel located within an area bounded on the south by latitude 38°52'30" W, and bounded on the north by the Francis Case (I-395) Memorial Bridge, located at Washington, DC. The duration of the safety zone is intended to ensure the safety of vessels and these navigable waters before, during, and after the

scheduled fireworks display. No vessel or person would be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. The regulatory text we are proposing appears at the end of this document.

IV. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This NPRM has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, the NPRM has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, duration, and time-of-day of the safety zone. Although vessel traffic will not be able to safely transit around this safety zone, the impact would be for 2 hours during the evening when vessel traffic in Washington Channel is normally low. Moreover, the Coast Guard will issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above, this proposed rule would not have a

significant economic impact on any vessel owner or operator.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

C. Collection of Information

This proposed rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this proposed rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves a safety zone lasting 2 hours that would prohibit entry within a portion of the Washington Channel. Normally such actions are categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A preliminary Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

V. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this

document to which each comment applies, and provide a reason for each suggestion or recommendation.

We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

We accept anonymous comments. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, visit <http://www.regulations.gov/privacyNotice>.

Documents mentioned in this NPRM as being available in the docket, and all public comments, will be in our online docket at <http://www.regulations.gov> and can be viewed by following that website's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.
