

through *Grants.gov* or PAMS, are able to register with PAMS to view the proposals that were submitted. They also are able to maintain a minimal amount of information in their personal profile. The existing collection automates and streamlines the submission, tracking, and correspondence portions of financial award pre-review processes.

The information collected is used by DOE to select applicants and projects for financial awards;

(5) *Annual Estimated Number of Respondents*: {The following numbers are calculated using the average of data received in fiscal year 2015 through fiscal year 2018. 6,533 PAMS new registrants, who are to include 9,700 submitters of lab proposals, interagency proposals, pre-proposals, and Letters Of Intent (LOI) (assuming one person per estimated submission) and 10,900 reviewers of proposals submitted through *Grants.gov*;

(6) *Annual Estimated Number of Total Responses*: Annual Estimated Number of Total Responses: The Office of Science receives about 370 DOE national laboratory and interagency proposals per year, based on an average number of submissions received for (fiscal year 2015 through fiscal year 2018) and about 4,600 pre-proposals and letters of intent per year, based on an average of the data collected between fiscal year 2015 and fiscal year 2018;

(7) *Annual Estimated Number of Burden Hours*: The time it takes to complete a form depends upon the type of form being completed. External users will need to register with PAMS in order to access the system. It takes approximately 30 minutes for external users to complete the forms required to become a registered PAMS user. Both LOI and pre-proposal forms take 15 minutes each, whereas completing a lab/interagency proposal will take about 3 hours. The reviewers require about 3 hour of analysis, per submission. Based on the annual estimated number of responses, broken down by DOE national laboratory, letter of intent and pre-proposal, the annual estimated time required for reviewers to complete analysis or responses and the time required for external users to register with PAMS, the estimated annual number of burden hours is 30,150;

(8) *Annual Estimated Reporting and Recordkeeping Cost Burden*: \$0.
