SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-84522; File No. SR-ISE-2018-89]

Self-Regulatory Organizations; Nasdaq ISE, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Relocate the Exchange's Pricing Schedule

November 1, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 23, 2018, Nasdaq ISE, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to (a) relocate the ISE Schedule of Fees and current Rule 213 to the Exchange's rulebook's ("Rulebook") shell structure,³ and (b) make conforming cross-reference changes throughout the Rulebook.

The text of the proposed rule change is available on the Exchange's website at <http://ise.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to relocate the entire ISE Schedule of Fees and Rule 213 to the Exchange's shell structure; specifically, the Exchange will relocate the aforementioned rules to the Options 7 ("Pricing Schedule") section of the shell. In addition, the Exchange will make conforming cross-reference changes throughout the Rulebook.

(a) Relocation of Rules

As indicated, the Exchange, as part of its continued effort to promote efficiency and the conformity of its processes with those of the Affiliated Exchanges, and the goal of harmonizing and uniformizing its rules, proposes to relocate the Schedule of Fees and ISE Rule 213 under Options 7, Pricing Schedule, of the shell structure.

³ In 2017, the Exchange added a shell structure to its Rulebook with the purpose of improving efficiency and readability and to align its rules closer to those of its five sister exchanges, The Nasdaq Stock Market LLC; Nasdaq BX, Inc.; Nasdaq PHILX LLC; Nasdaq GEMX, LLC; and Nasdaq MRX, LLC ("Affiliated Exchanges"). See Securities Exchange Act Release No. 82173 (November 29, 2017), 82 FR 57505 (December 5, 2017) (SR-ISE-2017-102).

Therefore, to improve the readability of the relocated Pricing Schedule rules, the Exchange proposes to update their current “Preface” section and rename it “Section 1. General Provisions.”

Next, the Exchange proposes to mark current ISE Rule 213 as “Reserved” and relocate its contents and title (“Collection of Exchange Fees and Other Claims”) under Section 2 of the Options 7, Pricing Schedule.

ISE Rule 213 was added to the Rulebook to permit the Exchange the collection of undisputed or final fees, fines, charges and/or other monetary sanctions or other monies due and owing to the Exchange or other charges related to Rules 205, 206, 207, 208, 209, and 210.⁴ The Exchange believes that, unlike other rules in Chapter 2 (“Organization and Administration”) of the Rulebook, which generally refer to the powers of the Board of Directors and the authority it delegates to Senior Management of the Exchange, the direct debit process established in Rule 213 will be better situated among the relocated rules of the Pricing Schedule.

The Exchange is also proposing to move all the remaining sections, I thorough IX, in the current Schedule of Fees, renumber them as provided in the table below, and add the word “Section” to each of their titles. Relatedly, the Exchange will update all references to the “Schedule of Fees” or “Fee Schedule” in the proposed rule text and replace them with the term “Pricing Schedule” where appropriate.

Finally, the Exchange will update all references to “NASDAQ” in proposed Section 8, I., of the Pricing Schedule with the word “Nasdaq,” to keep the proposed rule text consistent with changes to the names of the Affiliated Exchanges.⁵

The relocation of the Pricing Schedule rules will facilitate the use of the Rulebook by Members⁶ of the Exchange, including those who are members of other Affiliated Exchanges, and other market participants. Moreover, the proposed changes are of a non-substantive nature and will not amend the relocated rules, other than make the updates previously explained.

(b) Cross-Reference Updates

In connection with the changes described above, the Exchange proposes to update all cross-references in the Rulebook that direct the reader to the current location of the Pricing Schedule rules and/or any of their subsections.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁸ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by promoting efficiency and structural conformity of the Exchange’s processes with those of the Affiliated Exchanges and to make the Exchange’s Rulebook easier to read and more accessible to its Members and market participants. The Exchange believes that the relocation of the Pricing Schedule rules, updating the name “NASDAQ” to “Nasdaq,” and related cross-reference updates are of a non-substantive nature.

⁸ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes do not impose a burden on competition because, as previously stated, they (i) are of a non-substantive nature, (ii) are intended to harmonize the structure of the Exchange’s rules with those of its Affiliated Exchanges, and (iii) are intended to organize the Rulebook in a way that it will ease the Members’ and market participants’ navigation and reading of the rules.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act¹¹ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹² permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposed rule change may become operative upon filing. Waiver of the operative delay would allow the Exchange to promptly relocate the Pricing Schedule rules, which the Exchange believes will improve the

¹⁰ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

organization and readability of the Exchange's Rulebook. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-84515; File No. SR-NYSE-2018-34]

Self-Regulatory Organizations; New York Stock Exchange LLC; Order Instituting Proceedings To Determine Whether To Approve or Disapprove a Proposed Rule Change To Amend NYSE Rule 104 Governing Transactions by Designated Market Makers

November 1, 2018.

I. Introduction

On July 31, 2018, New York Stock Exchange LLC ("Exchange" or "NYSE") filed with the Securities and Exchange Commission ("Commission") pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend NYSE Rule 104 governing transactions by Designated Market Makers ("DMMs"). The proposed rule change was published for comment in the **Federal Register** on August 16, 2018.³ On September 24,

2018, the Commission extended to November 14, 2018, the time period in which to approve, disapprove, or institute proceedings to determine whether to approve or disapprove, the proposal.⁴ The Commission has received no comments on the proposal. This order institutes proceedings under Section 19(b)(2)(B) of the Act⁵ to determine whether to approve or disapprove the proposal.

II. Summary of the Proposed Rule Change

The Exchange proposes to amend NYSE Rule 104, which governs the dealings and responsibilities of Designated Market Makers ("DMMs") on the Exchange.⁶ According to the Exchange, the proposal would consolidate and restructure current Rules 104(g), (h), and (i), which would be deleted and incorporated into a new subsection (g) titled "Transactions by DMMs."⁷

Rule 104 currently defines four types of DMM transactions. Current Rule 104(g) defines Neutral Transactions, Non-Conditional Transactions, and Prohibited Transactions, and current Rule 104(h) defines Conditional Transactions.⁸ The Exchange proposes to eliminate the definitions of Neutral Transactions, Non-Conditional Transactions, and Prohibited Transactions and to amend the rules regarding Conditional Transactions and rename them "Aggressing Transactions" under an amended Rule 104(g).⁹

The Exchange proposes to define an Aggressing Transaction in proposed Rule 104(g)(1)(A) as a DMM unit transaction that is (1) a purchase (sale) that reaches across the market to trade as the contra-side to the Exchange published offer (bid); and (2) priced above (below) the last differently-priced trade on the Exchange and above (below) the last differently-priced published offer (bid) on the Exchange.¹⁰ According to the Exchange, under proposed Rule 104(g)(1)(B), an Aggressing Transaction during the last ten seconds prior to the scheduled close of trading that would result in a new consolidated high (low) price for a security during that trading day would be prohibited, unless the transaction would bring the price of the security
