SUPPLEMENTARY INFORMATION:

1. Background

The decision to launch negotiations
for a U.S.-UK Trade Agreement is an
important step toward achieving free,
fair, and reciprocal trade with the UK
and was preceded by the establishment
of the U.S.-UK Trade and Investment
Working Group in July 2017. The
Working Group was launched to
provide commercial continuity for UK
and U.S. businesses, workers, and
consumers as the UK leaves the
European Union, explore ways to
strengthen trade and investment ties,
and lay the groundwork for a potential
future trade agreement with the UK.

On October 16, 2018, following
consultations with relevant
Congressional committees, the United
States Trade Representative informed
Congress that the President intends to
commence negotiations with the UK for
a U.S.-UK Trade Agreement.

2. Public Comment and Hearing

The TPSC invites interested parties to
submit comments and/or oral testimony
to assist USTR as it develops negotiating
objectives and positions for the
agreement, including with regard to
objectives identified in section 102 of
the Bipartisan Congressional Trade
Priorities and Accountability Act of
2015 (19 U.S.C. 4201). In particular, the
TPSC invites interested parties to
comment on issues including, but not
limited to, the following:

a. General and product-specific
negotiating objectives for the proposed
agreement.

b. Relevant barriers to trade in goods
and services between the U.S. and the
UK that should be addressed in the
negotiations.

c. Economic costs and benefits to U.S.
producers and consumers of removal or
reduction of tariffs and removal or
reduction of non-tariff barriers on
articles traded with the UK.

d. Treatment of specific goods
(described by HTSUS numbers) under
the proposed agreement, including
comments on:

i. Product-specific import or export
interests or barriers.

ii. Experience with particular
measures that should be addressed in
the negotiations.

iii. Ways to address export priorities
and import sensitivities in the context of
the proposed agreement.

e. Customs and trade facilitation
issues that should be addressed in the
negotiations.

f. Sanitary and phytosanitary
measures and technical barriers to trade
that should be addressed in the
negotiations.

g. Other measures or practices that undermine fair market opportunities for U.S. businesses, workers, farmers, and ranchers that should be addressed in the negotiations.

USTR must receive written comments no later than Thursday, January 15, 2019. USTR requests that small businesses, generally defined by the Small Business Administration as firms with fewer than 500 employees, or organizations representing small business members, which submit comments to self-identify as such, so that we may be aware of issues of particular interest to small businesses.

The TPSC will hold a hearing on Thursday, January 29, 2019, in the Main Hearing Room at the U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. If necessary, the hearing will continue on the next business day. Persons wishing to testify at the hearing must provide written notification of their intention by January 15, 2019. The intent to testify notification must be made in the 'type comment' field under docket number USTR-2018-0036 on the www.regulations.gov website and should include the name, address, and telephone number of the person presenting the testimony. You should attach a summary of the testimony by using the 'upload file' field. The file name also should include who will be presenting the testimony. The TPSC will limit remarks at the hearing to no more than five minutes to allow for possible questions.

3. Requirements for Submissions

In order to ensure the timely receipt and consideration of comments, USTR strongly encourages commenters to make on-line submissions, using the www.regulations.gov website. Persons submitting a notification of intent to testify and/or written comments must do so in English and must identify (on the first page of the submission) the "U.S.-UK Trade Agreement."

To submit comments via www.regulations.gov, enter docket number USTR-2018-0036 on the home page and click 'search.' The site will provide a search-results page listing all documents associated with this docket. Find a reference to this notice and click on the link entitled 'comment now!' For further information on using the www.regulations.gov website, please consult the resources provided on the website by clicking on 'How to Use This Site' on the left side of the home page.

The www.regulations.gov website allows users to provide comments by filling in a 'type comment' field, or by attaching a document using an 'upload

file' field. USTR prefers that you provide comments in an attached document. If a document is attached, it is sufficient to type 'see attached' in the 'type comment' field. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If the submission is in an application other than those two, please indicate the name of the application in the 'type comment' field.

For any comments submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters 'BC.' Any page containing business confidential information must be clearly marked BUSINESS CONFIDENTIAL on the top of that page. Filers of submissions containing business confidential information also must submit a public version of their comments. The file name of the public version should begin with the character 'P.' The 'BC' and 'P' should be followed by the name of the person or entity submitting the comments or reply comments. Filers submitting comments containing no business confidential information should name their file using the name of the person or entity submitting the comments.

Please do not attach separate cover letters to electronic submissions; rather, include any information that might appear in a cover letter in the comments themselves. Similarly, to the extent possible, please include any exhibits, annexes, or other attachments in the same file as the submission itself, not as separate files.

As noted, USTR strongly urges submitters to file comments through www.regulations.gov. You must make any alternative arrangements before transmitting a comment and in advance of the applicable deadline with Yvonne Jamison at (202) 395-3475.

USTR will place comments in the docket for public inspection, except business confidential information. General information concerning USTR is available at www.ustr.gov.

Edward Gresser,

*Chair of the Trade Policy Staff Committee,
Office of the United States Trade Representative.*

Federal Aviation Administration

Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Recording of Aircraft Conveyances and Security Documents

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on October 9, 2018. The collection involves return to the Civil Aviation Aircraft Registry of information relating to the release of a lien that has been recorded with the Registry. Regulations provide for establishing and maintaining a system for the recording of security conveyances affecting title to, or interest in U.S. civil aircraft, as well as certain specifically identified engines, propellers, or spare parts locations, and for recording of releases relating to those conveyances. Federal Aviation Regulations establish procedures for implementation. Regulations describe what information must be contained in a security conveyance in order for it to be recorded with FAA. The convention on the International Recognition signatory, prevents, by treaty, the export of an aircraft and cancellation of its nationality marks if there is an outstanding lien recorded. The Civil Aviation Registry must have consent or release of lien from the lienholder prior to confirmation/cancellation for export.

DATES: Written comments should be submitted by December 17, 2018.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/FAA, and sent via electronic mail to oira_submission@omb.eop.gov, or faxed to (202) 395-6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW, Washington, DC 20503.
