SUPPLEMENTARY INFORMATION:

1. Background

The decision to launch negotiations
for a U.S.-UK Trade Agreement is an
important step toward achieving free,
fair, and reciprocal trade with the UK
and was preceded by the establishment
of the U.S.-UK Trade and Investment
Working Group in July 2017. The
Working Group was launched to
provide commercial continuity for UK
and U.S. businesses, workers, and
consumers as the UK leaves the
European Union, explore ways to
strengthen trade and investment ties,
and lay the groundwork for a potential
future trade agreement with the UK.

On October 16, 2018, following
consultations with relevant
Congressional committees, the United
States Trade Representative informed
Congress that the President intends to
commence negotiations with the UK for
a U.S.-UK Trade Agreement.

2. Public Comment and Hearing

The TPSC invites interested parties to
submit comments and/or oral testimony
to assist USTR as it develops negotiating
objectives and positions for the
agreement, including with regard to
objectives identified in section 102 of
the Bipartisan Congressional Trade
Priorities and Accountability Act of
2015 (19 U.S.C. 4201). In particular, the
TPSC invites interested parties to
comment on issues including, but not
limited to, the following:

a. General and product-specific
negotiating objectives for the proposed
agreement.

b. Relevant barriers to trade in goods
and services between the U.S. and the
UK that should be addressed in the
negotiations.

c. Economic costs and benefits to U.S.
producers and consumers of removal or
reduction of tariffs and removal or
reduction of non-tariff barriers on
articles traded with the UK.

d. Treatment of specific goods
(described by HTSUS numbers) under
the proposed agreement, including
comments on:

i. Product-specific import or export
interests or barriers.

ii. Experience with particular
measures that should be addressed in
the negotiations.

iii. Ways to address export priorities
and import sensitivities in the context of
the proposed agreement.

e. Customs and trade facilitation
issues that should be addressed in the
negotiations.

f. Sanitary and phytosanitary
measures and technical barriers to trade
that should be addressed in the
negotiations.
