#### Notice of Inventory Completion: U.S. Department of the Interior, Bureau of Land Management, Utah State Office, Salt Lake City, UT, and Southern Utah University, Cedar City, UT; Correction

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice; correction.

**SUMMARY:** The U.S. Department of the Interior, Bureau of Land Management, Utah State Office has corrected an inventory of human remains and associated funerary objects, published in a Notice of Inventory Completion in the **Federal Register** on October 12, 2004. This notice corrects the minimum number of individuals. Lineal descendants or representatives of any Indian Tribe or Native Hawaiian

organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request to the Bureau of Land Management, Utah State Office. If no additional requestors come forward, transfer of control of the human remains and associated funerary objects to the lineal descendants, Indian Tribes, or Native Hawaiian organizations stated in this notice may proceed.

**DATES:** Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request with information in support of the request to the Bureau of Land Management, Utah State Office at the address in this notice by December 19, 2018.

**ADDRESSES:** Diana Barg, Museum Collections Manager, Bureau of Land Management, 440 W 200 S Suite 500, Salt Lake City, UT 84101, telephone (801) 539-4214, email [dbarg@blm.gov](mailto:dbarg@blm.gov).

**SUPPLEMENTARY INFORMATION:** Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the correction of an inventory of human remains and associated funerary objects under the control of the U.S. Department of the Interior, Bureau of Land Management, Utah State Office, Salt Lake City, UT. The human remains and associated funerary objects were removed from multiple locations in Washington and Kane Counties, UT.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains and associated funerary objects. The National Park Service is not responsible for the determinations in this notice.

This notice corrects the minimum number of individuals published in a Notice of Inventory Completion in the **Federal Register** (69 FR 60664-60666, October 12, 2004). Osteological analysis conducted after the original publication of the **Federal Register** Notice in 2004 found that two individuals originally reported on the notice were representative of four individuals. Additionally, one individual that was reported on the original publication of the **Federal Register** Notice was later determined to have been left in situ at the time of excavation and, therefore,

should not have been included in the original NAGPRA inventory nor reported on the initial notice. Transfer of control of the items in this correction notice has not occurred.

#### Correction

In the **Federal Register** (69 FR 60665, October 12, 2004), column 1, paragraph 2 is corrected by deleting the following paragraph:

In 1983, human remains representing a minimum of one individual were removed from site 42Ws392 during legally authorized data recovery efforts as part of the Quail Creek Mitigation Project, Washington County, UT. No known individual was identified. No associated funerary objects are present.

In the **Federal Register** (69 FR 60665, October 12, 2004), column 1, paragraph 3 is corrected by deleting the following paragraph:

Based on ceramic and architectural styles, site organization, and other archeological information, site 42Ws392 has been identified as a multicomponent Pueblo I and late Pueblo II period occupation site. The site has been assigned to the archeologically defined culture known as Virgin Anasazi, a specific regional manifestation of Puebloan culture.

In the **Federal Register** (69 FR 60665, October 12, 2004), column 2, paragraph 4, sentence 1 is corrected by substituting the following sentence:

In 1979, human remains representing a minimum of four individuals were removed from site 42Ws969 Washington County, UT, during legally authorized excavations undertaken by the Southern Utah University Field School.

In the **Federal Register** (69 FR 60665, October 12, 2004), column 3, paragraph 6, sentence 1 is corrected by substituting the following sentence:

Officials of the U.S. Department of the Interior, Bureau of Land Management, Utah State Office have determined that, pursuant to 25 U.S.C. 3001 (9-10), the human remains described above represent the physical remains of 12 individuals of Native American ancestry.

#### Additional Requestors and Disposition

After that date, if no additional requestors have come

forward, transfer of control of the human remains and associated funerary objects to the Hopi Tribe of Arizona may proceed.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1046]

### Certain Non-Volatile Memory Devices and Products Containing Same; Commission Determination To Rescind Remedial Orders Issued in This Investigation Based Upon License and Settlement

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined to rescind the limited exclusion order and cease and desist orders issued in this investigation based upon settlement.

**FOR FURTHER INFORMATION CONTACT:** Panyin Hughes, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–3042. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–2000. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

**SUPPLEMENTARY INFORMATION:** The Commission instituted Inv. No. 337–TA–1046 on April 12, 2017, based on a complaint filed by Macronix International Co., Ltd. of Hsin-chu, Taiwan and Macronix America, Inc. of

Milpitas, California (collectively, “Macronix”). 82 FR 17687–88 (Apr. 12, 2017). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain non-volatile memory devices and products containing the same that infringe certain claims of U.S. Patent No. 6,552,360; U.S. Patent No. 6,788,602 (“the ‘602 patent”); and U.S. Patent No. 8,035,417. The Notice of Investigation named the following respondents: Toshiba Corporation of Tokyo, Japan; Toshiba America, Inc. of New York, New York; Toshiba America Electronic Components, Inc. of Irvine, California; Toshiba America Information Systems, Inc. of Irvine, California; and Toshiba Information Equipment (Philippines), Inc. of Binan, Philippines (collectively, “Toshiba”). The Office of Unfair Import Investigations was also named as a party to the investigation.

On June 16, 2017, the Commission determined not to review the ALJ's order (Order No. 11) granting an unopposed motion to amend the Notice of Investigation to add Toshiba Memory Corporation of Tokyo, Japan as a respondent. *See* Order 11, Comm'n Notice of Non-Review (June 16, 2017).

On April 13, 2018, the ALJ issued her final initial determination finding no violation of section 337 violation with respect to the asserted patents. On June 28, 2018, the Commission determined to review the final ID in part. *See* 83 FR 31416–18 (July 5, 2018). On review, the Commission found a violation of section 337 in connection with asserted claim 6 of the '602 patent. *See* 83 FR 51980–82 (Oct. 15, 2018). Having found a violation, the Commission determined that the appropriate remedy is a limited exclusion order (“LEO”) against Toshiba's infringing products and cease and desist orders (“CDOs”) against the domestic Toshiba respondents. *See id.*

On October 15, 2018, Macronix and Toshiba filed a joint petition to rescind the LEO and CDOs based upon a license and settlement agreement. The petition states that rescission is warranted because “the specific conduct covered by the Remedial Orders has become authorized or licensed by way of settlement and license.” Petition at 2. On October 25, 2018, the Commission investigative attorney filed a response in support of the petition. No other party filed response or opposition to the petition.

In view of the settlement agreement between Macronix and Toshiba, the Commission finds that the conditions justifying the remedial orders no longer

exist, and therefore, granting the petition is warranted under 19 U.S.C. 1337(k) and 19 CFR 210.76(a). Accordingly, the Commission has determined to rescind the remedial orders.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: November 13, 2018.
