The BLM and BIA held 17 scoping meetings between November 2013 and January 2014, throughout Kansas, Oklahoma, and Texas, with stakeholders, interest groups, and the public.

During the scoping period, the public provided the BLM Oklahoma Field Office with input on relevant issues to consider in the planning process. Additional information was collected during three additional workshops, one each in Kansas, Oklahoma, and Texas with the public and cooperating agencies. Based on these issues, conflicts, information, and the BLM and BIA goals and objectives for this planning effort, the BLM–BIA Interdisciplinary Team formulated action alternatives for consideration and analysis in the Draft Joint EIS/BLM RMP and BIA IRMP. Following the close of the public comment period, the BLM and BIA will use any substantive public comments to revise the Draft Joint EIS/BLM RMP and BIA IRMP in preparation for its release to the public as the Proposed Resource Management Plan and Final Environmental Impact Statement (Proposed RMP/Final EIS). The BLM and BIA will respond to each substantive comment received during the public review and comment period by making appropriate revisions to the document, or by explaining why the comment did not warrant a change. Notice of the Availability of the Proposed RMP/Final EIS will be published in the **Federal Register**.

Please note that public comments and other submitted information, including names, street addresses, and email addresses of persons submitting

comments will be available for public review and disclosure by using one of the methods listed in the **ADDRESSES** section of this notice during regular business hours 8 a.m. to 4 p.m.), Monday through Friday, except holidays. To be included in the analysis, all comments must be received before the close of the 90-day public comment period or 15 days after the last public meeting, whichever is later.

Before including your address, phone number, email address, and/or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can request in your comment that we withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
