II. Background

To help us carry out our conservation responsibilities for affected species, and in consideration of section 10(a)(1)(A) of the Endangered Species Act of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*), we invite public comments on permit applications before final action is taken. With some exceptions, the ESA prohibits activities with listed species unless Federal authorization is issued that allows such activities. Permits issued under section 10 of the ESA allow activities for scientific purposes or to enhance the propagation or survival of the affected species. Regulations regarding permit issuance under the ESA are in title 50 of the Code of Federal Regulations in part 17. ESA permits cover a wide range of activities pertaining to foreign listed species, including import, export, and activities in the United States.

III. Permit Application

We invite comments on the following application.

Applicant: U.S. Fish and Wildlife Service, Ajo, AZ; Permit No. 88065C

The applicant requests a permit to export up to six captive-born Sonora pronghorn (*Antilocapra americana sonoriensis*) to the Comision de Ecologia y Desarrollo Sustentable del Estado de Sonora—(CEDES), Sonora, Mexico, for reintroduction into the wild for the purpose of enhancing the propagation or survival of the species. This notification is for a single export.

IV. Next Steps

If we issue a permit to the applicant listed in this notice, we will publish a notice in the **Federal Register**. You may locate the notice announcing the permit issuance by searching <http://www.regulations.gov> for the permit number listed above in this document. That is, to find information about the potential issuance of Permit No. 88065C, you would go to <http://www.regulations.gov> and search for “88065C”.
