

that request. The Department also sent a letter to Arizona, dated November 16, 2017, asking whether the State wished to supplement or update its request. Arizona responded in a letter dated November 27, 2017. The Department, on December 27, 2017, published a second notice in the **Federal Register**, 82 FR 61329, which advised the public that the State had submitted additional information and provided additional time for public comment.

Following the receipt of public comments, the Department sent a letter dated June 29, 2018, to Arizona requesting that the State provide answers to a number of questions that had arisen during the Department's review of the comments, and inviting response to any other matters raised in the comments. This notice advises the public that the State of Arizona submitted additional information in response, in a letter dated October 16, 2018, and solicits public comment on that supplemental information. The correspondence with Arizona, including its letter of October 16, 2018, may be viewed at <https://www.justice.gov/olp/pending-requests-final-decisions>.

Following the Department's transmission of its letter of June 29, 2018 to Arizona, and again following Arizona's transmission of its responsive letter of October 16, 2018 to the Department, a commenter on Arizona's request for certification requested that the Department provide an opportunity for additional public comment to allow response to the new information in Arizona's letter. This notice provides an opportunity for such public comment.

Dated: November 13, 2018.

Assistant Attorney General.
