

VI. Panama TPA

Section 201 of the United States–Panama Trade Promotion Agreement Implementation Act (Pub. L. 112–43; 19 U.S.C. 3805 note) and Presidential Proclamation No. 8894 of October 29, 2012 (77 FR 66505), implemented the Panama TPA on behalf of the United States and modified the HTS to reflect the tariff treatment provided for in the Panama TPA.

Note 35(a) to subchapter XXII of HTS chapter 98 requires USTR annually to publish a determination of the amount of Panama's trade surplus, by volume, with all sources for goods in HS subheadings 1701.12, 1701.13, 1701.14, 1701.91, 1701.99, 1702.40 and 1702.60, except that Panama's imports of U.S. goods classified under subheadings 1702.40 and 1702.60 that are originating goods under the Panama TPA and Panama's exports to the United States of goods classified under subheadings 1701.12, 1701.13, 1701.14, 1701.91 and 1701.99 are not included in the calculation of Panama's trade surplus.

Note 35(c) to subchapter XXII of HTS chapter 98 provides duty-free treatment for certain sugar goods of Panama entered under subheading 9822.09.17 in an amount equal to the lesser of Panama's trade surplus or the specific quantity set out in that Note for that calendar year.

During CY 2017, the most recent year for which data is available, Panama's exports of the sugar and syrup goods and sugar-containing products described above exceeded its imports of those goods by 12,853 metric tons according to data published by the National Institute of Statistics and Census, Office of the General Comptroller of Panama. Based on this data, USTR has determined that Panama's trade surplus is 12,853 metric tons. The specific quantity set out in U.S. Note 35(c) to subchapter XXII of HTS chapter 98 for Panama for CY 2019 is 540 metric tons. Therefore, in accordance with that Note, the aggregate quantity of goods of Panama that may be entered duty-free under subheading 9822.09.17 in CY 2019 is 540 metric tons (*i.e.*, the amount that is the lesser of Panama's trade surplus and the specific quantity set out in that Note for Panama for CY 2019).

Robert Lighthizer,

United States Trade Representative.
