BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-84623; File No. SR-CboeEDGA-2018-018]

Self-Regulatory Organizations; Cboe EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Modify Its Fee Schedule

November 19, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 6, 2018, Cboe EDGA Exchange, Inc. ("Exchange" or "EDGA") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGA Exchange, Inc. (the "Exchange" or "EDGA") is filing with the Securities and Exchange

Commission ("Commission") a proposed rule change to modify its fee schedule.

The text of the proposed rule change is also available on the Exchange's website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fee Schedule to correct an inadvertent oversight to update an amended transaction fee in a footnote. Specifically, on March 14, 2018, the Exchange filed a rule filing, SR-CboeEDGA-2018-004, which proposed, among other things, to implement a fee for its expansion of the Cboe Connect service to provide routing to single-dealer platforms through a connectivity option to be labeled C-LNK.³ Specifically, the Exchange proposed to charge a fee of \$0.0002 for each share executed by a single dealer platform for orders routed via Cboe Connect. The Exchange notes that although it reflected the rate increase in the Cboe Connect portion of the Fee Schedule, it did not add such rate to the Fee Codes and Associated Fees table or adopt a fee code for C-LNK executions. To assist Users that refer to fee codes in connection with their reconciliation of fees imposed by the Exchange, the Exchange proposes to adopt a fee code, fee code LK, and to charge a fee of \$0.0002 for each share executed by a single dealer platform for orders routed via Cboe Connect's C-LNK connectivity option. No substantive changes are

being made by the proposed rule change.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes the proposed rule change to update the Fee Codes and Associated Fees section of the Fee Schedule, will alleviate potential confusion, thereby removing impediments to and perfecting the mechanism of a free and open market and a national market system and protecting investors and the public interest. As noted above, the proposed filing does not substantively change any transaction fees, but merely adds a fee code for a fee previously adopted by the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change does not address competitive issues, but rather, as discussed above, is merely intended to add a fee code for a fee previously adopted by the Exchange, which will alleviate potential confusion.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.
