**SUPPLEMENTARY INFORMATION:** Section 1320.8(d), Title 5, Code of Federal Regulations, requires PHMSA to provide interested members of the public and affected agencies an opportunity to comment on information collection and recordkeeping requests. This notice identifies an information collection request that PHMSA will submit to OMB for approval.

The following information is provided below for the impacted information collection: (1) Title of the information collection; (2) OMB control number; (3) Current expiration date; (4) Type of request; (5) Abstract of the information collection activity; (6) Description of affected public; (7) Estimate of total annual reporting and recordkeeping burden; and (8) Frequency of collection.

PHMSA requests comments on the following information collection:

*Title:* Gas Pipeline Safety Program Certification and Hazardous Liquid Pipeline Safety Program Certification.

*OMB Control Number:* 2137–0584.

*Current Expiration Date:* 02/28/2019.

*Abstract:* A state must submit an annual certification to assume responsibility for regulating intrastate pipelines. Certain records must be maintained to demonstrate that the state is ensuring satisfactory compliance with the pipeline safety regulations. PHMSA uses this information to evaluate a

state's eligibility to receive Federal grants.

*Affected Public:* State and local governments.

*Annual Reporting and Recordkeeping Burden:*

*Total Annual Responses:* 118.

*Total Annual Burden Hours:* 4,532.

*Frequency of Collection:* Annually.

Comments are invited on:

(a) The need for the proposed collection of information, including whether the information will have practical utility in helping the agency to achieve its pipeline safety goals;

(b) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques.
