SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–84633; File No. SR–NASDAQ–2018–091]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend The Nasdaq Options Market LLC (“NOM”) Fees

November 20, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on November 9, 2018, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend The Nasdaq Options Market LLC (“NOM”) fees within Chapter XV, Section 3, titled “Nasdaq Options Market—Ports and Other Services.”

The text of the proposed rule change is available on the Exchange’s website at <http://nasdaq.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of

the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to define “account number” and utilize that term within Chapter XV, Sections 3 and 9. Each change will be described in more detail below.

New Defined Term “Account”

The Exchange proposes to adopt a new definition within Chapter XV, Section 3 and apply this definition within Chapter XV, Sections 3 and 9. The purpose of this defined new term “account number” is to conform the Exchange’s use of certain terms within NOM Rules. This term would be utilized in Chapter XV to describe the manner in which pricing is calculated. Recently, the Nasdaq affiliated exchanges filed rule changes to conform the usage of various terms across its 6 affiliated options markets within the various rulebooks.³ The Exchange believes that utilizing the same defined terms, where possible, across its 6 affiliated options markets will avoid confusion for certain rules and pricing purposes. The term “account number” can be defined identically across Nasdaq’s 6 affiliated options markets for purposes of pricing ports. The Exchange is not amending the manner in which pricing will be applied with respect to this particular change. The Exchange proposes to utilize the defined term “account number” in place of the term “mnemonic,” which was not defined in the pricing rules. The insertion of the new defined term is intended to add more specificity and clarity to the current pricing.

³ NOM has filed to define the terms “account number,” “badge” and “mnemonic” at Chapter I, Section 1(a)(69), (70) and (71) respectively. See SR–NASDAQ–2018–085 (not yet published) [published on November 16, 2018]. Nasdaq Phlx LLC has filed to define the terms “account number,” “badge” and “mnemonic” at Rule 1000(b)(51), (52) and (53) respectively. See SR–Phlx–2018–69 (not yet published). Nasdaq BX, Inc. has filed to define the terms “account number,” “badge” and “mnemonic” at Chapter I, Section 1(a)(70), (71) and (72) respectively. See Securities Exchange Act Release No. 84520 (November 1, 2018) (SR–BX–2018–050) (not yet published) [published on November 7, 2018]. See also ISE Rule 100(a)(1), (5) and (34) which defines the terms “account number,” “badge” and “mnemonic,” respectively. See also GEMX Rule 100(a)(1), (5) and (35) which defines the terms “account number,” “badge” and “mnemonic,” respectively. See also MRX Rule 100(a)(1), (5) and (36) which defines the terms “account number,” “badge” and “mnemonic,” respectively.

At this time, the Exchange proposes to define an “account number” within Chapter XV, Section 3 to mean a number assigned to a Participant. Participants may have more than one account number. The term “mnemonic” has been used frequently throughout Chapter XV without being defined. The Exchange proposes to remove the term “mnemonic” from Chapter XV, Section 3 and replace the term with the defined term “account number” for FIX and the OTTO protocols. The Exchange notes that the terms mnemonic and account number were being used interchangeably. The Exchange recently defined both terms in its rules.⁴ The term account number is appropriate to describe these fees. The Exchange is not amending the manner in which it assesses those port fees, rather the Exchange simply proposes to utilize the new term to better describe its current pricing.

Also, the Exchange proposes to remove the term “mnemonic” from the CTI Port Fee, FIX DROP Port Fee, OTTO DROP Fee, ITTO Port Fee and Bono Port Fee. Today, these ports are assessed only one fee per port, per month and therefore adding the term “per account number” would be redundant and unnecessary. These ports are associated with one account number. The Exchange is not proposing to amend the manner in which these ports are assessed, rather the Exchange proposes to eliminate the “per mnemonic” description. The Exchange believes that the billing is clearly defined as “per port, per month.”

Account number is also being defined in Section 9, “Account Fee—Options.” The Exchange is not amending the manner in which this fee is billed, rather the Exchange is defining the term account number within Section 9. The defined term account number will be utilized consistently throughout the NOM pricing, where applicable.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,⁶ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges

⁴ A “mnemonic” is defined as an acronym comprised of letters and/or numbers assigned to Participants. A Participant account may be associated with multiple mnemonics. See SR–NASDAQ–2018–085 (not yet published) [published on November 16, 2018]. Mnemonics are issued to Participants to identify associated persons of Participants.
