

rule change would be consistent with and facilitate a governance and regulatory structure that is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes that obsolete removing the Eleventh NYSE Operating Agreement from its rules and adding the Twelfth NYSE Operating Agreement would remove impediments to the operation of the Exchange by ensuring that its rules remain consistent with the NYSE LLC operating agreement in effect. The Exchange notes that, as with the Eleventh NYSE Operating Agreement, no amendment to the Twelfth Amended [sic] NYSE Operating Agreement could be made without the Exchange filing a proposed rule change with the Commission. For the same reasons, the proposed rule change is also designed to protect investors as well as the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not designed to address any competitive issue but rather is concerned solely with ensuring that the Commission will have the ability to enforce the Exchange Act with respect to NYSE Amex Options and its direct and indirect parent entities.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹³ and Rule 19b-4(f)(3)¹⁴ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may

temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

SMALL BUSINESS ADMINISTRATION

Reporting and Recordkeeping Requirements Under OMB Review

AGENCY: Small Business Administration.

ACTION: 30-Day Notice.

DATES: Submit comments on or before December 27, 2018.

ADDRESSES: Comments should refer to the information collection by name and/or OMB Control Number and should be sent to: *Agency Clearance Officer*, Curtis Rich, Small Business Administration, 409 3rd Street SW, 5th Floor, Washington, DC 20416; and *SBA Desk Officer*, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Washington, DC 20503.

Copies: A copy of the Form OMB 83-1, supporting statement, and other documents submitted to OMB for review may be obtained from the Agency Clearance Officer.

SUPPLEMENTARY INFORMATION: SBA Form 1050, Settlement Sheet is used in SBA's 7(a) Loan Program to collect information from lenders and borrowers regarding the disbursement of loan proceeds. SBA relies on this information during the guaranty purchase review process as a component in determining whether to honor a loan guaranty. The currently approved form primarily requires the lender and borrower to certify to whether they complied with a series of loan requirements. The current form also requires submission of documentation (e.g., joint payee or

cancelled checks, invoices or paid receipts, and wire transfer records) in support of the certification. SBA has determined that this current information collection lacks enough specificity to yield the information regarding use of proceeds that would enable the agency to effectively monitor compliance with loan disbursement procedures. As a result, SBA is proposing to change both the content and format of the Form 1050.

The form will be divided into several sections to clearly identify the information to be submitted. The revised form will continue to collect the same basic identifying information such as loan amount, loan number and lender's name. In addition, the form will continue to require certifications from both the lender and borrower regarding compliance with the disbursement requirements and accuracy of information submitted. However, generally the enumerated statements will be reduced or combined and replaced with requests for specific information. The revised form will include a listing of all of the uses of loan proceeds. For each applicable use, information regarding the names of the payees, the amount disbursed, and the authorized amount remaining will be collected. The revised form will also include a section to document the borrower's equity injection of cash, assets, and any seller contribution (on full standby for the life of the loan).

These changes will allow the lender to more clearly document all of the sources and uses of funds at the time of loan closing. This additional information will better allow both lenders and SBA staff to ensure that the necessary information is collected at the time of loan origination.
