

Leasing Act, 15 U.S.C. 1667 *et seq.* (CLA) and Regulation M, 12 CFR 1013, for information to comparison shop among leases, as well as to ascertain the true costs and terms of lease offers. Federal and State enforcement and private litigants use the records to ascertain whether accurate and complete disclosures of the cost of leases have been provided to consumers prior to consummation of the lease. This information provides the primary evidence of law violations in CLA enforcement actions brought by Federal agencies. Without Regulation M's recordkeeping requirement, the agencies' ability to enforce the CLA would be significantly impaired.
