

(1) *Performance measures.* How each proposed *performance measure* would accurately measure the performance of the project and how the proposed *performance measure* would be consistent with the *performance measures* established for the program funding the competition.

(2) *Baseline data.* (i) Why each proposed *baseline* is valid; or (ii) if the applicant has determined that there are no established *baseline* data for a particular *performance measure*, an explanation of why there is no established *baseline* and of how and when, during the project period, the applicant would establish a valid *baseline* for the *performance measure*.

(3) *Performance targets.* Why each proposed *performance target* is *ambitious* yet achievable compared to the *baseline* for the *performance measure* and when, during the project period, the applicant would meet the *performance target(s)*.

(4) *Data collection and reporting.* (i) The data collection and reporting methods the applicant would use and why those methods are likely to yield reliable, valid, and meaningful performance data; and (ii) the applicant's capacity to collect and report reliable, valid, and meaningful performance data, as evidenced by high-quality data collection, analysis, and reporting in other projects or research.

All grantees must submit an annual performance report with information that is responsive to these *performance measures*.

6. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things, whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the *performance targets* in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

7. *Project Director's Meeting:* Applicants approved for funding under this competition must attend a two-day meeting for project directors at a location to be determined in the continental United States during each year of the project. Applicants may include the cost of attending this meeting as an administrative cost in their proposed budgets.
