Proposal Under OMB Delegated Authority To Extend for Three Years, With Revision, the Following Information Collection

Report title: Application to Become a Savings and Loan Holding Company or to Acquire a Savings Association or Savings and Loan Holding Company.

Agency form number: FR LL–10(e).

OMB control number: 7100–0336.

Frequency: Event generated.

Respondents: Entities seeking prior approval to become or acquire a savings and loan holding company (SLHC).

Estimated number of respondents: 15.

Estimated average hours per response: 60.

Estimated annual burden hours: 900.

General description of report: This collection of information consists of information that must be filed in connection with certain proposals involving the formation, acquisition, or merger of an SLHC. The Board requires the submission of this filing from an applicant for regulatory and supervisory purposes and to allow the Board to fulfill its statutory obligations to review these transactions under section 10(e) of the Home Owners' Loan Act (HOLA) and the Board's Regulation LL—Savings and Loan Holding Companies. The Board uses the information submitted by applicants to evaluate these transactions with respect to the financial and managerial resources and future prospects of the company(ies) and savings association(s) involved, the effect of the acquisition on the savings association(s), the insurance risk to the Deposit Insurance Fund, the convenience and needs of communities to be served, and competitive effects.¹

Proposed revisions: The Board proposes to change the name and title of its current Form H-(e), which the Board inherited from the Office of Thrift Supervision (OTS) when the OTS's supervisory authority over SLHCs was transferred to the Board, to Application to Become a Savings and Loan Holding Company or to Acquire a Savings Association or Savings and Loan Holding Company (FR LL–10(e)), and to make numerous other revisions to this collection of information. These changes would make the form consistent with

¹ See 12 U.S.C. 1467a(e)(2).

the format of other Board forms; incorporate information on the Board's policies and procedures for processing applications; improve the clarity of the information requests; reflect the impact of new laws, regulations, capital requirements, and accounting rules; and delete information requests that are not typically useful for the analysis of a proposed transaction. The revisions also are intended to increase transparency by ensuring that initial filings include the information that the Federal Reserve System requires to evaluate a transaction and thereby reducing the need for subsequent information requests, which may delay the Board's consideration of a filing and create additional burden for filers.

Legal authorization and confidentiality: The FR LL-10(e) is authorized pursuant to Section 10(b)(2) of the Home Owners' Loan Act (12 U.S.C. 1467a(b)) and is mandatory. The information on the FR LL-10(e) is not considered confidential unless the applicant requests confidential treatment pursuant to exemption 4 (confidential business information) or 6 (confidential personal information) of the Freedom of Information Act, 5 U.S.C. 552(b)(4) and (b)(6). All such requests for confidential treatment would be reviewed on a case-by-case basis.

Board of Governors of the Federal Reserve System, November 27, 2018.

Michele Taylor Fennell,

Assistant Secretary of the Board.
