DEPARTMENT OF COMMERCE

Census Bureau

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

Agency: Census Bureau.

Title: Construction Progress Reporting Surveys.

OMB Control Number: 0607–0153.

Form Number(s): C–700, C–700(R), C–700(SL), C–700(F).

Type of Request: Extension of a currently approved collection.

Number of Respondents: 25,000.

Average Hours per Response: 11.67 minutes.

Burden Hours: 58,333.

Needs and Uses: The U.S. Census Bureau is requesting an extension of a currently approved collection for forms: C–700, for Private Construction Projects; C–700(R), for Multifamily Residential Projects; C–700(SL), for State and Local Governments Projects; and C–700(F), for Federal Government Projects.

These forms are used to conduct the Construction Progress Reporting Surveys (CPRS) which collect information on the dollar value of construction put in place on non-residential building projects under construction by private companies or individuals, private multifamily residential buildings, and building projects under construction by federal and state and local governments.

The Census Bureau uses the information collected on these forms to publish estimates of the monthly dollar value of construction put in place. These data are a Principal Federal Economic Indicator that is used extensively by the federal government in making policy decisions and is used

by the Bureau of Economic Analysis (BEA) to estimate Gross Domestic Product (GDP), with construction spending (nonresidential fixed investment on structures and residential fixed investment) accounting for 6.9 percent of GDP in 2017. The private sector uses the statistics for market analysis and other research.

There are currently no planned content changes to the CPRS questionnaires. However, beginning with the September 2018 statistical period, we mailed redesigned forms, which were previously printed on a single legal page, and are now in booklet form. Additionally, the contact information is now requested on the front page of the booklet rather than on the back page, and the numbering scheme reflects this rearrangement of questions.

Affected Public: Businesses; Not-for-profit institutions; State, local or Tribal governments; Federal Government.

Frequency: Monthly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Sections 131 and 182.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or fax to (202)395–5806.

Departmental Lead PRA Officer, Office of the Chief Information Officer, Commerce Department.

Refillable Stainless Steel Kegs From the People's Republic of China: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable December 4, 2018.

FOR FURTHER INFORMATION CONTACT:

Nicholas Czajkowski or Robert Brown, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone (202) 482–1395 or (202) 482–3702, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 10, 2018, the Department of Commerce (Commerce) initiated the countervailing duty (CVD) investigation of imports of refillable stainless steel kegs (kegs) from the People's Republic of China.¹ The preliminary determination is currently due no later than December 14, 2018.

Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days of the date on which Commerce initiated the investigation. However, if the petitioner makes a request for an extension of the period within which the determination must be made, section 703(c)(1)(A) of the Act allows Commerce to postpone making the preliminary determination until no later than 130 days after the date on which the administering authority initiated the investigation.

On November 27, 2018, the petitioner² submitted a request pursuant to section 703(c)(1)(A) of the Act and 19 CFR 351.205(e) to postpone the preliminary determination.³ The petitioner states that additional time is necessary in light of the number of programs under investigation and the expected complexity of the issues.

For the reasons stated above, Commerce, in accordance with section 703(c)(1)(B) of the Act, is postponing the deadline for the preliminary determination to no later than 130 days after the day on which Commerce initiated this investigation. Therefore,

¹ See *Refillable Stainless Steel Kegs: Initiation of Countervailing Duty Investigation*, 83 FR 52192 (October 16, 2018).

² The petitioner is American Keg Company LLC.

³ See the petitioner's Letter dated November 27, 2018, requesting postponement of the preliminary determination.

the new deadline for the preliminary determination is February 19, 2019.⁴ Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination will continue to be 75 days after the date of the preliminary determination, unless postponed.

This notice is issued and published in accordance with section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: November 28, 2018.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Light-Walled Rectangular Pipe and Tube From Turkey: Rescission of Antidumping Duty Administrative Review; 2017–2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on light-walled rectangular pipe and tube (LWRPT) from Turkey for the period of review (POR) May 1, 2017, through April 30, 2018.

DATES: Applicable December 4, 2018.

FOR FURTHER INFORMATION CONTACT: Jonathan Hill, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3518.

SUPPLEMENTARY INFORMATION:

Background

On May 1, 2018, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on LWRPT from Turkey for the POR

May 1, 2017, through April 30, 2018.¹ On May 31, 2018, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), Noksel Celik Boru Sanayi A.S. (Noksel), requested a review of the order with respect to itself.² On July 12, 2018, in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the antidumping duty order on LWRPT from Turkey with respect to Noksel.³ On August 7, 2018, Noksel timely withdrew its request for an administrative review of itself.⁴ No other party requested a review.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication date of the notice of initiation of the requested review. Noksel withdrew its request for review within the 90-day deadline. Because Commerce received no other requests for review of Noksel, and no other requests were made for a review of the antidumping duty order on LWRPT from Turkey with respect to other companies, we are rescinding the administrative review covering the POR May 1, 2017, through April 30, 2018, in full, in accordance with 19 CFR 351.213(d)(1).

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of LWRPT from Turkey during the May 1, 2017, through April 30, 2018, at rates equal to the cash deposit rate for estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility under 19 CFR

351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: November 29, 2018.

James Maeder,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations performing the duties of Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
