Copyright Royalty Board

37 CFR Part 387

[Docket No. 15–CRB–0010–CA–S]

Adjustment of Cable Statutory License Royalty Rates

AGENCY: Copyright Royalty Board, Library of Congress.

ACTION: Final rule.

SUMMARY: The Copyright Royalty Judges (Judges) publish a final rule requiring affected cable systems to pay a separate per-telecast royalty (a Sports Surcharge) in addition to the other royalties that those cable systems must pay under Section 111 of the Copyright Act.

ADDRESSES: Docket: For access to the docket to read submitted background documents or comments, go to eCRB, the Copyright Royalty Board’s electronic filing and case management system, at https://app.crbr.gov/ and search for docket number 15–CRB–0010–CA–S.

FOR FURTHER INFORMATION CONTACT: Anita Blaine, CRB Program Specialist, by telephone at (202) 707–7658 or email at crb@loc.gov.

SUPPLEMENTARY INFORMATION: On July 30, 2018, the Copyright Royalty Judges...
eliminates the reference to “eligible” sports events as it only included by definition JSC-member events. Id. at 3–4.

The joint commenters believe the original proposed rule did not implicate any of the concerns the Judges expressed because distribution of shares is not a subject of this rule. Distribution of royalty fees will be determined by the Judges or by agreement of interested parties. The modified proposed rule nonetheless states expressly that copyright owners are not precluded from sharing in future payments for the regulated secondary transmissions. Id. at 4, 6.

The removal of the references to JSC-member events in the proposed rule and the addition of the section clarifying that no entity will be precluded from receiving shares based on this rule allay the concerns of the Judges.

List of Subjects in 37 CFR Part 387

For the reasons set forth in the preamble, and under the authority of chapter 8, title 17, United States Code, the Copyright Royalty Judges amend 37 CFR chapter III as follows:

(ii) Documentary evidence that the specific team on whose behalf the notice is given had invoked the protection afforded by the FCC Sports Blackout Rule during the period from January 1, 2012, through November 23, 2014;

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: The Environmental Protection Agency (EPA) is taking direct final action. The EPA is publishing this rule without a prior proposed rule because we view this as a noncontroversial action and anticipate no adverse comment. However, in the “Proposed Rules” section of the Federal Register, we are publishing a separate document that will serve as the proposed rule to exempt a new system of records, EPA–63, the eDiscovery Enterprise Tool Suite, from certain requirements of the Privacy Act because records in EPA’s eDiscovery Enterprise Tool Suite are maintained for use in civil and criminal actions. A notice has been published in the Federal Register on July 27, 2018 for the creation of this new system of records that will contain information collected using the Agency’s suite of tools that search and preserve electronically stored information (ESI) in support of the Agency’s eDiscovery (electronic discovery) and Freedom of Information Act processes.

DATES: This rule is effective on March 6, 2019 without further notice, unless EPA receives adverse comment by January 7, 2019. If EPA receives adverse comment, we will publish a timely withdrawal in the Federal Register informing the public that the direct final rule will not take effect.

Once submitted, comments cannot be edited or removed from Regulations.gov. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment.
