

the application and the public comments whether operations under the requested exemption would provide a requisite level of safety. A copy of the denial letter is available for review in the docket (FMCSA–2018–0003).

*Agricultural Retailers Association (ARA)*

ARA applied for exemption from the ELD requirement on behalf of its members who are retailers and distributors of farm-related products and services. ARA members rely on CMVs to deliver their products and services to farms. ARA asserted that its members were not prepared to meet the December 18, 2017 deadline for complying with the ELD rule and sought to obtain postponement of the deadline.

FMCSA reviewed the application and the 117 comments submitted. On July 26, 2018, FMCSA denied the application. FMCSA was unable to determine from the application and the public comments whether operations under the requested exemption would provide a requisite level of safety. A copy of the denial letter is available for review in the docket (FMCSA–2017–0336).

**Conclusion**

FMCSA has reviewed these applications carefully and the comments received and has concluded that each application lacks sufficient merit to justify the exemptions sought. Accordingly, FMCSA denies each application.
