**SUPPLEMENTARY INFORMATION:****Background**

On August 10, 2018, Commerce published the preliminary results for this administrative review.<sup>1</sup> We invited interested parties to comment on the *Preliminary Results*. We received no comments nor requests for a hearing from any party.<sup>2</sup> Commerce conducted this administrative review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act).

**Scope of the Order**

The products covered by the antidumping duty order are all gauges of raw, pretreated, or primed polyethylene terephthalate film, sheet, and strip (PET film), whether extruded or coextruded. Excluded are metalized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer of more than 0.00001 inches thick. Imports of PET film are currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item

number 3920.62.00.90. HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of the antidumping duty order is dispositive.

**Final Determination of No Shipments**

Based on our analysis of U.S. Customs and Border Protection (CBP) information and information provided by Shinkong Materials Technology Corporation (SMTC) and its affiliate Shinkong Synthetic Fibers Corporation (SSFC), we determine that SMTC had no shipments of the subject merchandise during the POR.

**Final Results of Review**

As there are no changes from, or comments upon, the *Preliminary Results*, Commerce has not modified its analysis or calculations. Accordingly, no decision memorandum accompanies this **Federal Register** notice. We continue to find that Nan Ya did not make sales of subject merchandise at less than normal value during the POR.

Commerce determines that the weighted-average dumping margin exists for the period July 1, 2016, through June 30, 2017:

Producer/exporter	Weighted-average margin (percentage)
Nan Ya Plastics Corporation	0.00

**Assessment Rates**

Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries in this review, in accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1). Commerce intends to issue assessment instructions directly to CBP 15 days after publication of these final results of review. Because we calculated a zero margin in the final results of this review for Nan Ya, in accordance with 19 CFR 351.212, we will instruct CBP to liquidate the appropriate entries without regard to dumping duties.

In accordance with Commerce's practice, for entries of subject merchandise during the POR that SMTC or its affiliate, SSFC, did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of this

administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Nan Ya will be 0.00 percent, the rate established in the final results of this review; (2) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this or any previous review or in the original less-than-fair-value (LTFV) investigation but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review or the investigation, the cash-deposit rate will continue to be the all-others rate of 2.40 percent, which is the all-others rate established by Commerce in the LTFV investigation.<sup>3</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Reimbursement of Duties**

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Administrative Protective Order**

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested.

<sup>3</sup> See *Notice of Final Amended Antidumping Duty Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Polyethylene Terephthalate Film, Sheet and Strip (PET) from Taiwan*, 67 FR 44174 (July 1, 2002); see also *Notice of Amended Final Antidumping Duty Determination of Sales at Less Than Fair Value and Antidumping Duty Order*, 67 FR 46566 (July 15, 2002).

Failure to comply with the regulations and terms of an APO is a violation, which is subject to sanction.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h).

Dated: December 4, 2018.

#### Monosodium Glutamate From the Republic of Indonesia: Preliminary Results of Antidumping Duty Administrative Review; 2016–2017

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily determines that PT. Cheil Jedang Indonesia (CJ Indonesia), the sole respondent in this administrative review, made sales of subject merchandise in the United States at prices below normal value during the period of review covering November 1, 2016, through October 31, 2017 (POR). Commerce is also rescinding the administrative review with respect to PT. Miwon Indonesia (Miwon). We invite interested parties to comment on these preliminary results.

**DATES:** Applicable December 11, 2018.

**FOR FURTHER INFORMATION CONTACT:** Gene H. Calvert, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3586.

#### SUPPLEMENTARY INFORMATION:

##### Background

On January 11, 2018, based on requests from interested parties, Commerce initiated the administrative review on monosodium glutamate (MSG) from the Republic of Indonesia (Indonesia) covering Miwon and CJ Indonesia.<sup>1</sup> A detailed description of the events that followed the initiation of

this review can be found in the Preliminary Decision Memorandum.<sup>2</sup> This administrative review is being conducted in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

##### Scope of the Order

The product covered by this review is MSG from Indonesia. A complete description of the scope of the order can be found in the Preliminary Decision Memorandum.

##### Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the date of publication of the notice of initiation of the requested review. The notice initiating the instant administrative review was published on January 11, 2018. On April 4, 2018, Daesang America, Inc. (Daesang), a U.S. importer of MSG from Indonesia, timely withdrew its request for an administrative review with respect to Miwon.<sup>3</sup> Because Daesang timely withdrew its request for an administrative review of Miwon within 90 days of the date of publication of the *Initiation Notice*, and as there are no remaining requests to review Miwon, Commerce is rescinding this review with respect to Miwon, in accordance with 19 CFR 351.213(d)(1).

##### Methodology

Commerce is conducting this administrative review in accordance with sections 751(a)(1)(B) and (2) of the Act. Export price and constructed export price are calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. ##### Preliminary Results of Review

Commerce preliminarily determines that a weighted-average margin of 24.68 percent exists for CJ Indonesia for the period November 1, 2016, through October 31, 2017.

##### Assessment Rates

Upon issuance of the final results of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.<sup>4</sup>

If the weighted-average dumping margin for CJ Indonesia is not zero or *de minimis* (*i.e.*, less than 0.5 percent), we will calculate importer-specific ad valorem antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer’s examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis* (*i.e.*, 0.5 percent). If the respondent’s (*i.e.*, CJ Indonesia’s) weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review where applicable.

In accordance with Commerce’s “automatic assessment” practice, for entries of subject merchandise during the POR produced by CJ Indonesia for which the producer did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate entries not reviewed at the all-others rate if there is no rate for the
