Abstract of Proposed Collection

The Application Under the Hague Convention on the Civil Aspects of International Child Abduction (DS–3013 and DS 3013–s) is used by parents or legal guardians who are requesting the State Department’s assistance in seeking the return of, or access to, a child or children alleged to have been wrongfully removed from or retained outside of the child’s habitual residence and currently located in another country that is also party to the Hague Convention on the Civil Aspects of International Child Abduction (the Convention). The application requests information regarding the identities of the applicant, the child or children, and the person alleged to have wrongfully removed or retained the child or children. In addition, the application requires that the applicant provide the circumstances of the alleged wrongful removal or retention and the legal justification for the request for return or access. The State Department, as the U.S. Central Authority for the Convention, uses this information to establish, if possible, the applicants’ claims under the Convention; to inform applicants about available remedies under the Convention; and to provide the information necessary to the foreign Central Authority in its efforts to locate the child or children, and to facilitate return of or access to the child or children pursuant to the Convention. 22 U.S.C. 9008 is the legal authority that permits the Department to gather this information.

Methodology

The completed form DS–3013 and DS 3013–s may be submitted to the Office of Children’s Issues by mail, by fax, or electronically accessed through www.travel.state.gov.

Abstract of Proposed Collection

The DS–2029, Application for Consular Report of Birth Abroad of a Citizen of the United States of America, is used by citizens of the United States to report the birth of a child while overseas. The information collected on this form will be used to certify the acquisition of U.S. citizenship at birth of a person born abroad. 22 CFR 50.5–50.7 are important legal authorities that permit the Department to use this form.

Methodology

An application for a Consular Report of Birth is normally made in the consular district in which the birth occurred. The parent respondents will complete the form and present it to a United States Consulate or Embassy, who will examine the documentation and enter the information provided into the Department of State American Citizen Services (ACS) electronic database.

[Docket No. FD 36253]

Middletown & New Jersey Railroad, LLC—Lease Exemption Containing Interchange Commitment—Norfolk Southern Railway Company

Middletown & New Jersey Railroad, LLC (M&NJ), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to lease from Norfolk Southern Railway Company (NS) and to operate approximately 1.9 miles of rail line located between Four Story Junction at milepost UJ 0 and Middletown, NY, at milepost UJ 1.9, known as the Crawford Industrial Track (the Line).

According to M&NJ, in conjunction with the lease of the Line, it will also obtain incidental local and overhead trackage rights over rail line located between the western end of Campbell Hall yard at milepost JS 67.50, continuing for 9.1 miles to milepost JS 76.60 at CP Howells, and from milepost SR 68.90 at CP Howells, continuing for 21 miles to milepost SR 89.90 at or near Port Jervis, NY (the Incidental Trackage Rights). M&NJ states that the Incidental Trackage Rights are being granted over a line owned by NS and currently leased to Metro-North Commuter Railroad Company pursuant to a sublease agreement under which NS retained the exclusive, irrevocable, and perpetual right to provide or permit rail freight service on the line. See Metro-North Commuter R.R.—Acquis. & Operation Exemption—Line of Norfolk S. Ry., 34293, slip op. at 2 (STB served May 13, 2003).

M&NJ certifies that its projected revenues as a result of this transaction will not result in M&NJ’s becoming a Class I or Class II rail carrier and will not exceed $5 million. As required under 49 CFR 1150.43(b)(1), M&NJ has disclosed in its verified notice that the lease agreement contains an interchange commitment that will require M&NJ to pay additional charges if it interchanges certain traffic with a rail carrier other than NS.

M&NJ states that it expects to consummate the transaction on or shortly after the effective date of this notice of exemption. The earliest this transaction may be consummated is December 29, 2018 (30 days after the verified notice was filed).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than December 21, 2018 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 36253, must be filed with the Surface Transportation Board, 395 E Street SW, Washington, DC 20423–0001. In addition, a copy of each pleading must be served on M&NJ’s representative, Karl Morell, Karl Morell and Associates, Suite 440, 440 1st Street NW, Washington, DC 20001.

According to M&NJ, this action is categorically excluded from environmental review under 49 CFR 1105.6(c) and from historic reporting under 49 CFR 1105.6(b).

Board decisions and notices are available on our website at www.stb.gov.

By the Board, Scott M. Zimmerman, Acting Director, Office of Proceedings.

Tammy Lowery,
Clearance Clerk.
