SECURITIES AND EXCHANGE COMMISSION

SEC File No. 270–149, OMB Control No. 3235–0130)

Proposed Collection; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736.

Extension:

Rule 17Ad–2(c), (d), and (h)

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17Ad–2(c), (d), and (h), (17 CFR 240.17Ad–2(c), (d), and (h)), under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval. Rule 17Ad–2(e), (d), and (h) enumerates the requirements with which transfer agents must comply to inform the Commission or the appropriate regulator of a transfer agent’s failure to meet the minimum performance standards set by the Commission rule by filing a notice.

The Commission receives approximately 3 notices a year pursuant to Rule 17Ad–2(c), (d), and (h). The estimated annual time burden of these filings on respondents is minimal in view of: (a) The readily available nature of most of the information required to be included in the notice (since that information must be compiled and retained pursuant to other Commission rules); and (b) the summary fashion in which such information must be presented in the notice (most notices are one page or less in length). In light of the above, and based on the experience of the staff regarding the notices, the Commission staff estimates that, on average, most notices require approximately one-half hour to prepare. Thus, the Commission staff estimates that the industry-wide total time burden is approximately 1.5 hours.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number. Please direct your written comments to: Charles Riddle, Acting Director/Chief Information Officer, Securities and Exchange Commission, c/o Candace Konner, 100 F Street NE Washington, DC 20549, or send an email to: PRA_Mailbox@sec.gov.

Eduardo A. Aleman,
Deputy Secretary.

SUPPLEMENTARY INFORMATION:

Background

On April 13, 2018, Congress passed the Strengthening Protections for Social Security Beneficiaries Act of 2018, Public Law 115–165. Section 204 of that law requires the Commissioner to conduct a review and reassessment, with opportunity for public comment, of the appropriateness of the order of preference for selecting representative payees (payees) and the effectiveness of our policy and operations for changing payees. We will submit a report on the results of the review and reassessment to Congress within 18 months of enactment.

A person who receives benefits from us may be unable to manage those benefits for reasons such as his or her young age or mental or physical impairment. In these cases, we select a payee if we believe that representative payment, rather than direct payment of benefits, will better serve the beneficiary’s interest. Generally, we select a payee if we determine that the beneficiary is not able to manage or direct the management of benefit payments in his or her interest. The payee may be an organization or a person, such as a parent, relative, or friend of the beneficiary.

We review and evaluate each representative payee application individually to determine the best representative payee. We carefully screen and consider all applicants, before we make a selection, to ensure the beneficiary’s best interest is served. In determining the best payee choice, we consider all factors, including the applicant’s relationship to the beneficiary, the applicant’s concern for the beneficiary’s well-being, whether
