The institute plans to manufacture the listed controlled substances synthetically in bulk for use in institute-sponsored research.

John J. Martin, Assistant Administrator.

The provisions of federal law relating to the import and export of controlled substances—those found in 21 U.S.C. 951 through 971—are more precisely referred to as the Controlled Substances Import and Export Act. However, federal courts and DEA often use the term “Controlled Substances Act” to refer collectively to all provisions from 21 U.S.C. 952 through 971 and, for ease of exposition, this document will do likewise.
