Assessment

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. For all respondents eligible for a separate rate, we will instruct CBP to apply an antidumping duty assessment rate of 82.05 percent to all entries of subject merchandise that entered the United States during the POR. For all other companies, we will instruct CBP to apply the antidumping duty assessment rate of the China-wide entity, 82.05 percent, to all entries of subject merchandise that entered the United States during the POR. For all other companies, we will instruct CBP to apply the antidumping duty assessment rate of the China-wide entity, 82.05 percent, to all entries of subject merchandise that entered the United States during the POR. For all other companies, we will instruct CBP to apply the antidumping duty assessment rate of the China-wide entity, 82.05 percent, to all entries of subject merchandise that entered the United States during the POR. For all other companies, we will instruct CBP to apply the antidumping duty assessment rate of the China-wide entity, 82.05 percent, to all entries of subject merchandise that entered the United States during the POR.

For the six companies that we determined had no reviewable entries of the subject merchandise in this review period, any suspended entries that entered under that exporter’s case number (i.e., at that exporter’s rate) will be liquidated at the China-wide rate. We intend to issue assessment instructions to CBP 15 days after the date of publication of the final results of review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date as provided by section 751(a)(2)(C) of the Act: (1) For subject merchandise exported by the companies listed above that have separate rates, the cash deposit rate will be the rate established in these final results of review for each exporter as listed above; (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity; (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

This notice also serves as the only reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

These final results of review are issued and published in accordance with sections 751(a)(1) and 777(i) of the Act.

Gary Taverman,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
