

RECORD ACCESS PROCEDURES:

Because the N-DEX System contains records compiled to assist with the enforcement of criminal laws, the records in this system have been exempted from notification, access, and amendment to the extent permitted by subsection (j) of the Privacy Act. An individual who is the subject of one or more records in this system may be notified of records that are not exempt from notification and, accordingly, may access those records that are not exempt from disclosure. All requests for access should follow the guidance provided on the FBI's website at <https://www.fbi.gov/services/records-management/foipa>. A request for access to a record from this system of records must be submitted in writing and comply with 28 CFR part 16. Individuals may mail, fax, or electronically submit a request, clearly marked "Privacy Act Access Request," to the FBI, ATTN: FOI/PA Request, Record/Information Dissemination Section, 170 Marcel Drive, Winchester, VA 22602-4843; facsimile: 540-868-4995/6/7; electronically: <https://www.fbi.gov/services/records-management/foipa/requesting-fbi-records>. The request should include a general description of the records sought, and must include the requester's full name, current address, and date and place of birth. The request must be signed and dated and either notarized or submitted under penalty of perjury. While no specific form is required, requesters may obtain a form (Form DOJ-361) for use in certification of identity, which can be located at the above link. In the initial request, the requester may also include any other identifying data that the requester may wish to furnish to assist the FBI in making a reasonable search. The request should include a return address for use by the FBI in responding; requesters are also encouraged to include a telephone number to facilitate FBI contacts related to processing the request. A determination of whether a record may be accessed will be made after a request is received.

CONTESTING RECORD PROCEDURES:

To contest or amend information maintained in the N-DEX System, an individual should direct his/her request to the address provided above, stating clearly and concisely what information is being contested, the reasons for contesting it, and the proposed amendment to the information sought.

Some information may be exempt from contesting record procedures as described in the section titled "Exemptions Claimed for the System." An individual who is the subject of one

or more records in this system may contest and pursue amendment of those records that are not exempt. A determination whether a record may be subject to amendment will be made at the time a request is received.

NOTIFICATION PROCEDURES:

Same as RECORD ACCESS PROCEDURES paragraph, above.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

The Attorney General has exempted the N-DEX System from subsection (c)(3) and (4); (d)(1), (2), (3) and (4); (e)(1), (2), (3), (5) and (8); and (g) of the Privacy Act pursuant to 5 U.S.C. 552a(j)(2). Rules have been promulgated in accordance with the requirements of 5 U.S.C. 553(b), (c), and (e). See 28 CFR 16.96(t) and (u).
