Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties in this inquiry are addressed in the Issues and Decision Memorandum. A list of the issues raised is attached to this notice as an Appendix. Based on our analysis of the comments received, we made no changes to the *Preliminary Determination*.

Final Affirmative Determination of Circumvention

As detailed in the Issues and Decision Memorandum, we determine that innersprings exported from Macau to the United States, which were assembled or completed in Macau by Macao Commercial and Industrial Spring Mattress Manufacturer (Macao Commercial) and the other companies that are part of the Macao Commercial Group, used materials and/or

⁴ The Macao Commercial Group is comprised of the following companies: Macao Commercial, Tai Wa Commercial (a Macao trading company), Tai Wa Machinery (a Macao trading company), Wa Cheong Hong (a Macao trading company), and Heshan Tai Hua Jian Ye Machinery Co., Ltd. (Heshan Tai Hua) (a Chinese manufacturer). In the *Preliminary Determination*, we determined that these companies are affiliated and should be treated as a single entity. See PDM at 6–9. No party commented on this determination. We continue to treat the Macao Commercial Group as a single entity in this final determination.

components from China and are circumventing the *Order*. Therefore, we determine that it is appropriate to include this merchandise within the *Order* and to instruct U.S. Customs and Border Protection (CBP) to continue to suspend any entries of innersprings from Macau, which were manufactured in Macau by the Macao Commercial Group.

Continuation of Suspension of Liquidation

In accordance with 19 CFR 351.225(l)(3), Commerce will direct CBP to continue to suspend liquidation and to require a cash deposit of estimated duties on unliquidated entries innersprings assembled or completed by the Macao Commercial Group in Macau from Chinese-origin components and/or materials that were entered, or withdrawn from warehouse, for consumption on or after November 22, 2016, the date of initiation of the anti-circumvention inquiry.

The suspension of liquidation instructions will remain in effect until further notice. Commerce will instruct CBP to require AD cash deposits equal to the China-wide rate of 234.51 percent, unless the importer/exporter can demonstrate to CBP that the Chinese-origin innersprings assembled or completed in Macau by the Macao Commercial Group were supplied by a Chinese manufacturer with a separate rate. In that instance, the cash deposit rate will be the rate of the Chinese innersprings manufacturer that has its own rate.⁵

Notification Regarding Administrative Protective Orders

This notice will serve as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction or APO materials or conversion to judicial protective order is hereby requested.
