

regarding the material functionality and operations of the EMMA system. As the EMMA system disseminates information about transactions occurring in the municipal securities market, any improvement with respect to the understanding of how the EMMA system operates will further perfect the mechanism of a free and open market in municipal securities. In addition, the clarifying amendments to the EMMA IF serve to foster the cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities and municipal financial products, by making it more likely that the market is promptly provided with the latest information.

Specifically, the proposed amendments would increase the clarity and precision with respect to the description of basic EMMA system functionality and the high-level parameters by which the MSRB operates the EMMA system. The MSRB believes that issuers, obligated persons, dealers, other submitters and subscribers will benefit from a clearer understanding of this information. While additional technical information regarding the EMMA system is set forth in the EMMA Reporting Specifications, the EMMA Subscription Services Specifications, and other similar documents that the MSRB maintains, the MSRB believes that it is important that material information regarding the EMMA system be clearly described in the EMMA IF. The proposed rule change serves this purpose.

B. Self-Regulatory Organization's Statement on Burden on Competition

Section 15B(b)(2)(C) of the Act¹⁹ requires that MSRB rules not be designed to impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change consists of revisions to the EMMA IF to better align the language of the information facility to the MSRB's administration of the EMMA system. The proposed rule change seeks to clarify existing services and make minor changes of a technical nature to the information facility, including certain revisions resulting from recent amendments to Rule 15c2-12. The proposed rule change will not substantively modify the manner in which the MSRB administers the EMMA system in collecting and disseminating information about municipal securities. Accordingly, the

MSRB does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Board did not solicit comment on the proposed change. Therefore, there are no comments on the proposed rule change received from members, participants or others.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act²⁰ and Rule 19b-4(f)(6) thereunder.²¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-MSRB-2018-09 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549.

All submissions should refer to File Number SR-MSRB-2018-09. This file number should be included on the subject line if email is used. To help the

Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the MSRB. All comments received will be posted without change. Persons submitting comments are cautioned that we do not redact or edit personal identifying information from comment submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-MSRB-2018-09 and should be submitted on or before January 11, 2019.

For the Commission, pursuant to delegated authority.²²

Eduardo A. Aleman,
Deputy Secretary.

[Release No. 34-84830; File No. SR-CboeBYX-2018-025]

Self-Regulatory Organizations; Cboe BYX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Extend the Pilot Period for the Exchange's Retail Price Improvement Program

December 17, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 11, 2018, Cboe BYX Exchange, Inc. (the "Exchange" or "BYX") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe BYX Exchange, Inc. ("BYX" or the "Exchange") is filing with the Securities and Exchange Commission (the "Commission") a proposed rule change to extend the pilot period for the Exchange's Retail Price Improvement Program.

The text of the proposed rule change is also available on the Exchange's website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatory>

[Home.aspx](#)), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to extend the pilot period for the Exchange's Retail Price Improvement Program (the "Program"). The Program is currently set to expire on the earlier of approval of the filing to make the Program permanent or December 31, 2018.⁵ The Exchange now proposes to extend the Program until the earlier of approval of the filing to make the Program permanent or June 30, 2019.

Background

In November 2012, the Commission approved the Program on a pilot basis.⁶ The Program is designed to attract retail order flow to the Exchange, and allows such order flow to receive potential price improvement. The Program is currently limited to trades occurring at prices equal to or greater than \$1.00 per share. Under the Program, all Exchange Users⁷ are permitted to provide potential price improvement for Retail Orders⁸ in the form of non-displayed interest that is better than the national

best bid that is a Protected Quotation ("Protected NBB") or the national best offer that is a Protected Quotation ("Protected NBO", and together with the Protected NBB, the "Protected NBBO").⁹

The Program was approved by the Commission on a pilot basis running one year from the date of implementation.¹⁰ The Commission approved the Program on November 27, 2012.¹¹ The Exchange implemented the Program on January 11, 2013, and has extended the pilot period six times.¹² The pilot period for the Program is currently set to expire on the earlier of approval of the filing to make this rule permanent or December 31, 2018. This filing seeks to extend the pilot until the earlier of approval of the filing to make the Program permanent or June 30, 2019.

Proposal To Extend the Operation of the Program

The Exchange established the Program in an attempt to attract retail order flow to the Exchange by potentially providing price improvement to such order flow. The Exchange believes that the Program promotes competition for retail order flow by allowing Exchange members to submit Retail Price Improvement Orders ("RPI Orders")¹³ to interact with Retail Orders. Such competition has the ability to promote efficiency by facilitating the price discovery process and generating

⁹ The term Protected Quotation is defined in BYX Rule 1.5(f) and has the same meaning as is set forth in Regulation NMS Rule 600(b)(58). The terms Protected NBB and Protected NBO are defined in BYX Rule 1.5(s). The Protected NBB is the best-priced protected bid and the Protected NBO is the best-priced protected offer. Generally, the Protected NBB and Protected NBO and the national best bid ("NBB") and national best offer ("NBO", together with the NBB, the "NBBO") will be the same. However, a market center is not required to route to the NBB or NBO if that market center is subject to an exception under Regulation NMS Rule 611(b)(1) or if such NBB or NBO is otherwise not available for an automatic execution. In such case, the Protected NBB or Protected NBO would be the best-priced protected bid or offer to which a market center must route interest pursuant to Regulation NMS Rule 611.
