SUPPLEMENTARY INFORMATION:

I. FOIA and Technical Amendments

The Institute proposes this rulemaking to revise its FOIA regulations in accordance with the FOIA Improvement Act of 2016 and otherwise reflect the agency's change of address and update outdated information. IMLS also proposes to make minor technical amendments to all other IMLS regulations to reflect the agency's change of physical address, update contact information, and otherwise facilitate readability. In the interests of economy of administration, and because all of the regulations proposed to be removed are outdated and the technical amendments are minor, they are included in this one rulemaking.

II. Public Comment Procedures

Comments should be submitted in writing to the address indicated in the **ADDRESSES** section of this document. All comments received will be available upon request for public inspection at Institute of Museum and Library Services, 955 L'Enfant Plaza North SW, Suite 4000, Washington, DC 20024–2135. All written comments received by the date indicated in the **DATES** section of this document and all other relevant information in the record will be carefully assessed and fully considered prior to implementation of the final rule. Any information considered to be confidential must be so identified and submitted in writing. We will not consider comments submitted anonymously. However, if you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment.

The regulatory amendments in this proposed rulemaking updates outdated information and makes technical amendments to improve the clarity and accuracy of the Institute's regulations. These changes will ensure that all

regulations affected are consistent with current laws. The public is invited to make substantive comment on any of the changes in the proposed rule.

III. Matters of Regulatory Procedure

Regulatory Planning and Review (E.O. 12866)

Under Executive Order 12866, the Institute must determine whether the regulatory action is “significant” and therefore subject to OMB review and the requirements of the Executive Order. The Order defines a “significant regulatory action” as one that is likely to result in a rule that may: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities; (2) create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in the Executive Order.

The proposed rule updates outdated information and makes technical amendments to the Institute's regulations. As such, it does not impose a compliance burden on the economy generally or on any person or entity. Accordingly, this rule is not a “significant regulatory action” from an economic standpoint, and it does not otherwise create any inconsistencies or budgetary impacts to any other agency or Federal Program.

Regulatory Flexibility Act

Because this proposed rule would amend outdated regulations and make certain technical amendments, the Institute has determined in Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) review that this proposed rule will not have a significant economic impact on a substantial number of small entities because it simply makes technical amendments and amends outdated regulations.

Paperwork Reduction Act

This proposed rule is exempt from the requirements of the Paperwork Reduction Act (44 U.S.C. 3501–3521), since it amends existing outdated regulations and makes only technical amendments. An OMB form 83–1 is not required.

Unfunded Mandates Reform Act

For purposes of the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1501–1571), this proposed rule will not significantly or uniquely affect small governments and will not result in increased expenditures by State, local, or tribal governments, or by the private sector, of \$100 million or more as adjusted for inflation) in any one year.

Small Business Regulatory Enforcement Fairness Act (SBREFA)

This proposed rule is not a major rule under 5 U.S.C. 804(2), of the Small Business Regulatory Enforcement Fairness Act. This proposed rule:

- a. Does not have an annual effect on the economy of \$100 million or more.
- b. Will not cause a major increase in costs or prices for consumers, individual industries, Federal, State, or local government agencies, or geographic regions.
- c. Does not have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of U.S.-based enterprises to compete with foreign-based enterprises.

Takings (E.O. 12630)

In accordance with Executive Order 12630, the proposed rule does not have significant takings implications. No rights, property or compensation has been, or will be, taken. A takings implication assessment is not required.

Federalism (E.O. 13132)

In accordance with Executive Order 13132, this proposed rule does not have federalism implications that warrant the preparation of a federalism assessment.

Civil Justice Reform (E.O. 12988)

In accordance with Executive Order 12988, the Institute has determined that this proposed rule does not unduly burden the judicial system and meets the requirements of sections 3(a) and 3(b)(2) of the Order.

Consultation and Coordination With Indian Tribes (E.O. 13175)

In accordance with Executive Order 13175, the Institute has evaluated this proposed rule and determined that it has no potential negative effects on Federally recognized Indian tribes.

National Environmental Policy Act

This proposed rule does not constitute a major Federal action significantly affecting the quality of the human environment.

Authority: 5 U.S.C. 552.

■ 9. Revise § 1184.1 to read as follows:

§ 1184.1 What are the purpose and scope of these regulations?

(a) These regulations describe how the Institute of Museum and Library Services (IMLS) processes requests for records under the Freedom of Information Act (FOIA), 5 U.S.C. 552 as amended. The regulations in this part apply only to records that are both:

(1) Created or obtained by IMLS; and

(2) Under the agency’s control at the time of the FOIA request.

(b) The rules in this part should be read in conjunction with the text of the FOIA and the Uniform Freedom of Information Fee Act Schedule and Guidelines published by the Office of Management and Budget (the “OMB Guidelines”). Requests made by individuals for records about themselves under the Privacy Act of 1974, 5 U.S.C. 552a, are processed under 45 CFR part 1182 as well as under this part.

■ 10. Amend § 1184.2 by revising paragraphs (a) and (b), paragraph (c) introductory text, paragraph (c)(10), the second sentence of paragraph (c)(11), and paragraph (c)(12) to read as follows:

§ 1184.2 What are IMLS’s general policies with respect to FOIA?

(a) *Presumption of openness.* IMLS administers the FOIA with a presumption of openness. Under this presumption, IMLS makes discretionary disclosures of records whenever such disclosure would not foreseeably harm an interest protected by a FOIA exemption or otherwise be prohibited by law.

(b) *Records available at the IMLS FOIA Electronic Reading Room.* IMLS makes records available on its website Reading Room in accordance with 5 U.S.C. 552(a)(2), as amended, as well as

other records that have been requested three or more times or that, because of the nature of their subject matter, are likely to be the subject of FOIA requests. IMLS establishes categories of records that can be disclosed regularly and proactively identifies and discloses additional records of interest to the public. To save time and money, and maximize efficiency, IMLS strongly urges individuals who seek information from IMLS to review documents available at the IMLS FOIA Electronic Reading Room before submitting a FOIA request.

(c) *Definitions.* For purposes of this part, IMLS adopts all of the terms defined in the Freedom of Information Act, and the OMB Guidelines, unless otherwise defined in this part.

* * * * *

(10) *Review.* The examination of a record located in response to a request to determine whether any portion of it is exempt from disclosure. Review time includes all of the processing that is necessary to prepare any record for disclosure, including, as applicable, redacting portions of the record and marking the appropriate exemptions. Review costs are properly charged even if a record ultimately is not disclosed. Review time also includes time spent both obtaining and considering any formal objection to disclosure made by a confidential business information submitter under § 1184.9 but it does not include time spent resolving general legal or policy issues regarding the applicability of exemptions.

(11) * * * Search time includes page-by-page or line-by-line identification of information within records; and the reasonable efforts expended to locate and retrieve information from both hard copy and electronic records.

(12) *Working day.* A regular Federal work day constitutes a working day. It does not include Saturdays, Sundays, or Federal holidays.

■ 11. Amend § 1184.3 by revising paragraphs (a) and (b) to read as follows:

§ 1184.3 How do I request records?

(a) *Where to send a request.* You may make a FOIA request for IMLS records by completing the online prompts in the FOIA Online Portal via *FOIA.gov* or via <https://www.ims.gov/about/foia-request/form> or by sending an email to *foia@ims.gov* or by submitting a request in writing via regular U.S. Mail addressed directly to the FOIA Public Liaison, Institute of Museum and Library Services, 955 L’Enfant Plaza North SW, Suite 4000, Washington, DC 20024–2135. Requests may also be sent in writing via facsimile to the FOIA Officer at (202) 653–4625.

(b) *Form of request.* Your FOIA request need not be in any particular format, but it must be in writing, include your name and mailing address, and should be clearly identified as a Freedom of Information Act or “FOIA” request. You must describe the records you seek with sufficient specificity to enable the agency to identify and locate the records, including, if possible, dates, subjects, titles, or authors of the records requested. Before submitting a request, you may contact IMLS’s FOIA contact or FOIA Officer to discuss the records you seek and to receive assistance in describing the records. If upon receiving your request IMLS determines that it does not reasonably describe the requested records, IMLS will advise you what additional information is required to perfect your request, or why your request is otherwise insufficient. You should also indicate if you have a preferred form or format in which you would like to receive the requested records.

* * * * *

■ 12. Amend § 1184.4 by adding paragraph (c) to read as follows:

§ 1184.4 When will I receive a response to my request?

* * * * *

(c) *Expedited processing.* (1) IMLS must process requests and appeals on an expedited basis whenever it is determined that they involve:

(i) Circumstances in which the lack of expedited processing could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) An agency to inform the public about an actual or alleged Federal Government activity, if made by a person who is primarily engaged in disseminating information.

(2) A request for expedited processing may be made at any time. When making a request for expedited processing of an administrative appeal, the request should be submitted as required by § 1184.6.

(3) A requester who seeks expedited processing must submit a statement, certified to be true and correct, explaining in detail the basis for making the request for expedited processing. For example, under paragraph (c)(1)(ii) of this section, a requester who is not a full-time member of the news media must establish that the requester is a person whose primary professional activity or occupation is information dissemination, though it need not be the requester’s sole occupation. Such a requester also must establish a particular urgency to inform the public about the government activity involved

in the request—one that extends beyond the public’s right to know about government activity generally. The existence of numerous articles published on a given subject can be helpful in establishing the requirement that there be an “urgency to inform” the public on the topic. As a matter of administrative discretion, IMLS may waive the formal certification requirement.

(4) IMLS must notify the requester within 10 calendar days of the receipt of a request for expedited processing of its decision whether to grant or deny expedited processing. If expedited processing is granted, the request must be given priority, placed in the processing track for expedited requests, and must be processed as soon as practicable. If a request for expedited processing is denied, IMLS must act on any appeal of that decision expeditiously.

■ 13. Amend § 1184.5 by:

- a. Redesignating paragraphs (c), (d), and (e) as paragraphs (d), (e), and (f);
 - b. Adding a new paragraph (c); and
 - c. In newly redesignated paragraph (f):
- i. Removing “FOIA Officer” and adding in its place “FOIA Public Liaison;” and
 - ii. Adding a sentence at the end of the paragraph.

The additions read as follows:

§ 1184.5 How will my request be processed?

* * * * *

(c) *Estimated dates of completion and interim responses.* Upon request, IMLS will provide an estimated date by which the agency expects to provide a response to the requester. If a request involves a voluminous amount of material, or searches in multiple locations, IMLS may provide interim responses, releasing the records on a rolling basis.

* * * * *

(f) * * * In addition, IMLS will provide information about the mediation services provided by the Office of Government Information Services of the National Archives and Records Administration.

■ 14. Amend § 1184.6 by:

- a. Revising paragraph (a); and
- b. In paragraph (b), removing the term “Office of Government Services (OGIS)” and adding in its place “Office of Government Information Services.”

The revision reads as follows:

§ 1184.6 How can I appeal a denial of my request?

(a) *Submission of an appeal.* If your FOIA request has been denied in whole or in part, or if the agency has not found

any records in response to your request, you may file an appeal no later than ninety (90) calendar days following the date of the notification of denial. Your appeal must include a description of the initial request, the reason for the appeal, and why you believe the agency’s response was incorrect. Your appeal must be in writing, signed, and filed with the IMLS Director, c/o Office of the General Counsel, 955 L’Enfant Plaza North SW, Suite 4000, Washington, DC 20024–2135. Appeals may also be sent via email to *foia@imls.gov*, or via facsimile to (202) 653–4625.

* * * * *

■ 15. Amend § 1184.7 by revising paragraphs (f)(3)(ii) and (g) to read as follows:

§ 1184.7 How will fees be charged?

* * * * *

(f) * * *

(3) * * *

(ii) When IMLS requests an advance payment, the time limits described in section (a)(6) of the FOIA will begin only after IMLS has received advanced full payment in full.

(g) *Failure to comply.* In the absence of unusual or exceptional circumstances, IMLS will not assess fees if the agency fails to comply with any time limit set forth in these regulations, unless the agency has determined that unusual circumstances apply and more than 5,000 pages are necessary to respond to the request.

* * * * *

■ 16. Amend § 1184.8 by revising the second sentence of paragraph (b) to read as follows:

§ 1184.8 How can I address concerns regarding my request?

* * * * *

(b) * * * If you seek information regarding OGIS and/or the services it offers, please contact OGIS directly at Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, MD 20740–6001, Email: *ogis@nara.gov*, Phone: (202) 741–5770 or toll free (877) 684–6448, Fax: (202) 741–5769. * * *
