

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies; *e.g.*, permitting electronic submission of responses.

Estimate of burden: The public burden for this collection of information is estimated to average 0.48 hours per response.

Respondents: Importers of certain plants and plant products.

Estimated annual number of respondents: 26,044.

Estimated annual number of responses per respondent: 27.

Estimated annual number of responses: 703,189.

Estimated total annual burden on respondents: 338,990 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the reporting burden per response.)

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 19th day of December 2018.

Kevin Shea,

Administrator, Animal and Plant Health Inspection Service.
