

**DEPARTMENT OF STATE****[Public Notice: 10643]****Notice of Determinations; Culturally Significant Objects Imported for Exhibition—Determinations: “Faith and Empire: Art and Politics in Tibetan Buddhism” Exhibition**

**SUMMARY:** Notice is hereby given of the following determinations: I hereby determine that certain objects to be included in the exhibition “Faith and Empire: Art and Politics in Tibetan Buddhism,” imported from abroad for temporary exhibition within the United States, are of cultural significance. The objects are imported pursuant to loan agreements with the foreign owners or custodians. I also determine that the exhibition or display of the exhibit objects at The Rubin Museum of Art, New York, New York, from on or about February 1, 2019, until on or about July 15, 2019, and at possible additional exhibitions or venues yet to be determined, is in the national interest. I have ordered that Public Notice of these determinations be published in the **Federal Register**.

**SURFACE TRANSPORTATION BOARD****[Docket No. FD 36260]****Gateway Industrial Railroad, LLC—Acquisition and Operation Exemption—Avatar Corporation**

Gateway Industrial Railway, LLC (GIRR), a noncarrier, has filed a verified

notice of exemption<sup>1</sup> under 49 CFR 1150.31 to acquire and operate by agreement with Avatar Corporation approximately 2,400 feet (0.46 mile) of existing railroad right-of-way and trackage and transloading facilities in University Park, Ill. (the trackage).

According to GIRR, there are no mileposts associated with the trackage. GIRR states that the trackage is used to interchange with Canadian National Railroad. GIRR further states that Avatar Corporation ships outbound shipments via truck and rail, and that it is anticipated that GIRR will service nearby companies.

GIRR asserts that, because the trackage in question will constitute its entire line of railroad, this trackage is a line of railroad under 49 U.S.C. 10901, rather than spur, switching, or side tracks under 49 U.S.C. 10906.<sup>2</sup>

GIRR certifies that its projected annual revenues as a result of this transaction will not exceed those that would qualify it as a Class III rail carrier and will not exceed \$5 million.

GIRR states that the transaction is scheduled to be consummated on or before December 14, 2018. However, the earliest this transaction may be consummated is January 10, 2019, the effective date of the exemption (30 days after the verified notice was filed).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than January 3, 2019 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. 36260, must be filed with the Surface Transportation Board, 395 E Street SW, Washington, DC 20423–0001. In addition, one copy of each pleading must be served on David C. Dillon, Dillon & Nash, Ltd., 3100 Dundee Road, Suite 508, Northbrook, IL 60062.

According to GIRR, this action is categorically excluded from environmental review under 49 CFR 1105.6(c) and from historic reporting requirements under 49 CFR 1105.8(b).

Board decisions and notices are available at [www.stb.gov](http://www.stb.gov).

Decided: December 20, 2018.

<sup>1</sup> GIRR supplemented its verified notice of exemption on December 18, 2018.
