

and non-market economic values associated with the reduction in risk of whale strikes by different scenarios of changes in traffic lanes and/or vessel speeds for major commercial vessels operating in the region of southern California where the Channel Islands National Marine Sanctuary is located.

The required information is to conduct surveys of the for hire operations that take people out for non-consumptive recreation to watch whales or other wildlife to obtain total use by type of activity (e.g. whale watching, and other wildlife observation) and the spatial use by type of activity. Information will also be obtained on costs-and-earnings of the operations and demographic information on owner/captains and crews. Surveys will also be conducted of the passengers aboard the for hire operation boats to obtain their market and non-market economic use values for the reduction in the risk of whale strikes. Additional information will be obtained on importance-satisfaction ratings of key natural resource attributes, facilities and services along with demographic profiles of passengers.

Note: We have completed the for-hire operations survey and one season of the Passenger Survey. We need to complete the second season of the Passenger Survey.

Affected Public: Individuals or households.

Frequency: One time.

Respondent's Obligation: Voluntary.

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of

information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Economic Value of Non-consumptive Recreation Use from those Accessing the Monterey Bay National Marine Sanctuary via For Hire Operation Boats.

OMB Control Number: 0648-0726.

Form Number(s): None.

Type of Request: Regular (extension of a currently approved information collection).

Number of Respondents: 1,050.

Average Hours per Response: 2 hours per for hire operation, 20 minutes per on-site interview of passengers, 20 minutes per importance-satisfaction/knowledge, attitudes & perceptions mail back, and 20 minutes for the expenditure mail back.

Burden Hours: 733.

Needs and Uses: This request is for extension of a currently approved information collection. The collection was approved three years ago but had not begun.

The required information will be obtained through surveys of the for hire operations that take people out for non-consumptive recreation to obtain total use by type of activity and the spatial use by type of activity. Information will also be obtained on costs-and-earnings of the operations, knowledge, attitudes & perceptions of sanctuary management strategies and regulations, and demographic information on owner/captains and crews. Surveys will also be conducted of the passengers aboard the for hire operation boats to obtain their market and non-market economic use values for non-consumptive recreation use and how those value change with changes in natural resource attribute conditions and user characteristics. Additional information will be obtained on importance-satisfaction ratings of key natural resource attributes, facilities and services, knowledge, attitudes and perceptions of management strategies and regulations, and demographic profiles of passengers. This survey was not started during the 2015-2018 OMB approval period.

Affected Public: Business or other for-profit organizations; individuals or households.
