proposing the creation of a one-page Form ETA–9142B, Final Determination: H–2B Temporary Labor Certification Approval, which will be issued electronically to employers granted temporary labor certification by DOL. In circumstances where the employer or, if applicable, its authorized attorney or agent, is not able to receive the temporary labor certification documents electronically, ETA will send the certification documents printed on standard paper in a manner that ensures overnight delivery.

Finally, ETA is requesting a three-year extension, without change, of the Form ETA–9142B, Seafood Industry Attestation. Employers in the seafood industry who wish to stagger the entry of H–2B workers into the United States between 90 and 120 days after the certified start date of need will need to complete the Form ETA–9142B, Seafood Industry Attestation, and provide a copy to each H–2B worker to present, upon request by DHS, when seeking entry into the United States.
